MINUTES OF THE MEETING OF THE SCREENING COMMITTEE
HELD ON 19th FEBRUARY, 2021 TO CONSIDER NEW PROJECT
PROPOSALS FOR FINANCIAL YEAR 2019-20 AND 2020-21
UNDER DEENDAYAL DISABLED REHABILITATION SCHEME
(DDRS)

A meeting of the Screening Committee was held on 19th February, 2021 under the Chairpersonship of Ms. Tarika Roy, Joint Secretary (DEPwD) to consider the new proposals of NGOs received through State Governments under Deendayal Disabled Rehabilitation Scheme (DDRS) for the Financial Year 2019-20 and 2020-21. Both the Members of the Screening Committee Shri Subhash Joshi (Paliwal) and Mrs. Sushma Gupta attended the meeting. The entire Programme Division including Director and Under Secretary assisted the Screening Committee. The last meeting of the Screening Committee was held on 4th March, 2020.

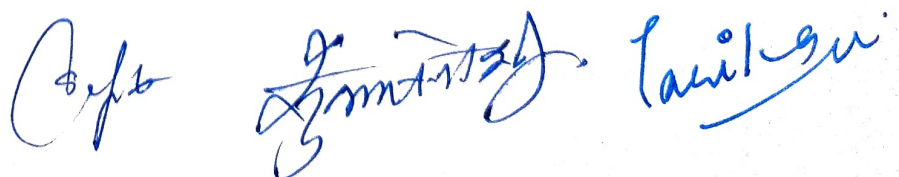

2. The Screening Committee was informed that as per para 3.6.1.6 of DDRS Scheme-guidelines, the proposals duly recommended by the State Govt. were required to be considered by this Committee. A comprehensive statement (**Annexure-I**) containing state-wise number of model-projects across the country was presented to the Committee. The statement giving an over-all picture of pan-India coverage of the 518 model projects under DDRS was reviewed.

3. The Committee was apprised of the guidelines of the Scheme. The Committee was informed that the new proposals which would be approved by it shall be considered for release of funds subject to fulfillment of all other terms & conditions of the scheme. Following deliberations were made by Screening Committee during scrutiny of new proposals :-

- i. The Committee discussed the parameters for keeping in mind while reviewing the proposals and recommending sanction. It should be obligatory upon all the organizations seeking grant-in-aid to submit a valid recognition/permission from concerned authority in the State Govt. and under PWD Act, 1995 or RPwD Act, 2016. Further, their teaching staff and professionals should also in conform to the requirements under the Scheme.

- ii. The over-all scenario of the pan-India coverage of various model projects of DDRS was reviewed. It has been felt that there would be budget constraints if more and more new organizations in the same district, especially of the similar model project are included. The cost norms of the projects under DDRS have been enhanced by 2.5 times the earlier rates with effect from 1st April, 2018 which means that fewer NGOs can be supported as compared to earlier. Further, under NITI Aayog's Output-Outcome Monitoring Framework(OOMF), emphasis is to be given to expand the outreach of this scheme in every district of the country to ensure pan India coverage. This will lead to optimal utilisation of funds for the intended purposes and will benefit beneficiaries of all the States/UTs. Hence, considering the objective of Pan-India coverage within the availability of limited budget, districts where NGOs are being given support through the DDRS scheme should not be covered while considering new applications in those districts.
- iii. The Committee observed that in proposals received from Government of Tamil Nadu, the registration certificate under PwD/RPwD Act did not indicate the name of the NGOs as recorded on the Darpan Portal of NITI Aayog and only the project name is mentioned. Screening Committee mentioned that Government of Tamil Nadu needs to be advised to ensure that registration certificate issued under PwD/RPwD Act mandatorily show the name of the organization also, as per registration on Darpan Portal of NITI Aayog and that the proposals should be properly screened while forwarding them to the Department.
- iv. Similarly, during scrutiny of proposals received from Manipur, it was observed in many proposals that date of birth of the beneficiaries, indicated in the Disability Certificates and in the beneficiary list provided by the organization, were not matching. This seemed to indicate a case of wilfully misleading the documents submitted in terms of beneficiaries and their age profiles that are eligible for support under the ascheme guidelines. In many of the proposals, as per disability certificates/beneficiaries lists, many beneficiaries crossed the upper age limit prescribed for the projects however in the beneficiary list it was mentioned less than eighteen years to make it eligible beneficiaries. Screening Committee was of the view that inspecting officers of Government of Manipur should thoroughly scrutinize the applications of NGOs so that such serious lapses are avoided in future.

Handwritten signatures in blue ink, including the name 'Tamil Nadu'.

- v. Processing of already recommended new cases in the previous and current meeting should be taken on priority on receipt of requisite documents and State Govt. recommendations for the current year.
- vi. The NGO recommended herein should be verified and checked with updated list of NGOs/voluntary organizations blacklisted/debarred/banned by any other Department of Govt. of India.
- vii. Recommendations of this Committee will be valid till the end of financial year subsequent to the year in which the meeting is held i.e. since the meeting is held during 2020-21, the recommendations will remain valid till 31.03.2022.

4. The proposals considered by the Screening Committee along with its recommendation/remarks are contained in **Annexure-II**. In all, **98** proposals (including 28 case pertaining to the year 2019-20, 60 cases pertaining to the year 2020-21 and 10 deferred cases of the last meeting of the Screening Committee held on 4th March, 2020) were taken up for consideration by the Screening Committee. Out of these **98** cases the decision of the Screening Committee is as under:-

- a. 1 case was recommended in this meeting.
- b. 12 cases (at Sl. No. 18,33,34,46,47,50,51,52,54,57,58 and 59) had already been recommended in the earlier Screening Committee meeting.
- c. Therefore, in all 13 cases of the 98 under consideration were recommended.
- d. 83 cases were not recommended.
- e. 2 cases were rejected.

5. The meeting ended with a vote of thanks to the Chair.
