MINUTES OF THE MEETING OF THE SCREENING COMMITTEE HELD ON 4th MARCH
2020 TO CONSIDER NEW PROJECT PROPOSALS FOR FINANCIAL YEAR 2019-20
UNDER DEENDAYAL DISABLED REHABILITATION SCHEME (DDRS)

A meeting of the Screening Committee was held on 4th March, 2020 under the Chairpersonship of Ms. Tarika Roy, Joint Secretary (DEPwD) to consider the new proposals of NGOs received through State Governments under Deendayal Disabled Rehabilitation Scheme (DDRS) for Financial Year 2019-20. Both the Members of the Screening Committee Shri Subhash Joshi (Paliwal) and Mrs. Sushma Gupta attended the meeting. The entire Programme Division including Director and Under Secretary assisted the Screening Committee.

2. The Screening Committee was informed that as per para 3.6.1.6 of DDRS Scheme-guidelines, the proposals duly recommended by the State Govt. were required to be considered by this Committee. A comprehensive statement (**Annexure-I**) containing state-wise number of model-projects across the country was presented to the Committee. The statement gave an over-all picture of pan-India coverage of the DDRS scheme. The last meeting of the Screening Committee was held on 20-21st January, 2020.

3. The Committee was apprised of the guidelines of the Scheme. The Committee was informed that the new proposals which would be approved by it shall be considered for release of funds subject to fulfillment of all other terms & conditions of the scheme.

4. (i) The Committee discussed the parameters for keeping in mind while reviewing the proposals and recommending sanction. It should be obligatory upon all the organizations seeking grant-in-aid to submit a valid recognition/permission from concerned authority in the State Govt. and under PWD Act, 1995 or RPwD Act, 2016. Further, their teaching staff should also conform to the requirements under The RCI Act.

(ii) The over-all scenario of the pan-India coverage of the various model projects of DDRS was reviewed. A list showing number of model projects in various States is enclosed at **Annexure-I**. At present 516 model projects are being funded under DDRS. Considering the budget allocation for the current financial year 2019-20, it has been felt that there would be budget constraints if more and more new organizations are included. The cost norms of the projects under DDRS have been enhanced by 2.5 times the earlier rates with effect from 1st April, 2018. Up to the current financial year 2019-20, some of the proposals pertaining to 2017-18 were entitled to the grant-in-aid at the pre-revised rates. However, from the year 2020-21 onwards, all proposals would be at enhanced rate. Hence, considering the objective of Pan-India coverage within the availability of limited budget, it has been viewed that - preference would be given to new applications in those districts where the similar model projects are not being funded under DDRS. Further, it has been seen that a few model projects like Pre-school & Early Intervention, Community Based Rehabilitation, Half-Way Home, Low Vision Centres, and Rehabilitation of Leprosy Cured Persons etc. are very less. Hence, applications for these model projects need to be given priority as well.

Ala

- (iii) Processing of already recommended new cases in the previous and current meeting should be taken on priority on receipt of requisite documents and State Govt. recommendations for the current year.
- (iv) The NGOs recommended herein should be verified and checked with updated list of NGOs/voluntary organizations blacklisted/debarred/banned by any other Department of Govt. of India. In case of new NGOs from NE states necessary security clearance from Ministry of Home Affairs may be obtained.
- (v) Recommendations of this Committee will be valid till the end of financial year subsequent to the year in which the meeting is held i.e. since the meeting is held during 2019-20, the recommendations will remain valid till 31.03.2021.

5. The proposals considered by the Screening Committee along with its recommendation/remarks are contained in Annexure-II. In all, 112 proposals (including one case pertaining to the year 2018-19 and five deferred cases of the last meeting of the Screening Committee held on 20-21 January, 2020) were taken up for consideration by the Screening Committee. Out of these 112 cases the decision of the Screening Committee is as shown below:

- a) 19 cases were recommended (one case pertaining to the year 2018-19 and 18 cases pertaining to the year 2019-20).
- b) 78 cases were not recommended out of the proposals of 2019-20.
- c) 08 cases were deferred out of the proposals of 2019-20.
- d) 01 case (at Sl. No. 81) was not required to be considered as it was already recommended in the earlier Screening Committee meeting.
- e) 01 case (at Sl. No. 54) was a break case required condonation by the competent authority, hence need not be considered by the Screening Committee.
