MINUTES OF THE MEETING OF THE SCREENING COMMITTEE HELD ON 29TH FEBRUARY, 2024 TO CONSIDER NEW PROJECT PROPOSALS FOR FINANCIAL YEAR 2022-23 AND 2023-24 UNDER DEENDAYAL DIVYANGJAN REHABILITATION SCHEME (DDRS)

A meeting of the Screening Committee was held on 29th February, 2024 under the Chairpersonship of Shri Rajeev Sharma, Joint Secretary (DEPwD) to consider the new project proposals of NGOs received through State Governments under Deendayal Divyangjan Rehabilitation Scheme (DDRS) for Financial Year 2022-23 and 2023-24. Both the Members of the Screening Committee Dr. Sanjay Kumar Sharma and Shri Praveen R Saini attended the meeting. The entire Programme Division including Director Shri Honnareddy N and Under Secretary Shri Ram Charan Meena assisted the Screening Committee.

2. The Screening Committee was informed that as per **para 8.1** of DDRS Scheme-guidelines, the proposals duly recommended by the State Govt. are required to be considered by this Committee. .

3. The Committee was apprised of the guidelines of the Scheme. The Committee was informed that the new proposals which would be approved by it shall be considered for release of funds subject to fulfillment of all other terms & conditions of the scheme. Following deliberations were made by Screening Committee during scrutiny of new proposals:-

- (i) The Committee discussed the parameters for keeping in mind while reviewing the proposals and recommending sanction. It should be obligatory upon all the organizations seeking grant-in-aid to submit a valid recognition/permission from concerned authority in the State Govt. and under PWD Act, 1995 or RPwD Act, 2016. Further, their teaching staff and professionals should also conform to the requirements under the Scheme.
- (ii) The over-all scenario of the pan-India coverage of the various model projects of DDRS was reviewed. It has been felt that there would be budget constraints if more and more new organizations in the same district, especially of the similar model project are included. The cost norms of the projects under DDRS have been enhanced by 2.5 times the earlier rates with effect from 1st April, 2018 which means that fewer NGOs can be supported as compared to earlier. Further, under NITI Aayog's Output-Outcome Monitoring Framework (OOMF), emphasis is to be given to expand the outreach of this scheme in every district of the country to ensure pan India coverage. This will lead to optimal utilization of funds for the intended purposes and will benefit beneficiaries of all the States/UTs.
- (iii) Expenditure Finance Committee has reduced budget to Rs. 650.00 crore as against proposed Rs. 761.00 crore for the period from FY 2021-22 to 2025-26 leading to restrictions in adding new projects under DDRS. Emphasis is on adding more new projects in DDRC.
- (iv) Those organizations whose projects have been recommended by the Screening Committee are required to send immediately the proposals for the year 2022-23 and 2023-24, duly recommended by the concerned State Governments, for consideration of release of GIA.

- (v) Processing of already recommended new cases in the previous and current meeting should be taken on priority on receipt of requisite documents and State Govt. recommendations for the current year.
- (vi) Recommendations of this Committee will be valid till the end of financial year subsequent to the year in which the meeting is held i.e. since the meeting is held during 2023-24, the recommendations will remain valid till 31.03.2025.
- (vii) Those organizations whose project cases have been recommended by the Screening Committee shall be got inspected first in order to ensure satisfactory functioning of the organization/project prior to consideration of any GIA.

4. The proposals considered by the Screening Committee along with its recommendation/remarks are contained in Annexure. In all, 47 proposals pertaining to the year 2022-23 and 2023-24 (18 for 2022-23 and 29 for 2023-24) were taken up for consideration by the Screening Committee. Out of these 47 cases, the decision of the Screening Committee is as under:-

a) cases recommended : **09** for the year 2022-23 and **20** for the year 2023-24 (including 15 already recommended)

b) cases not recommended: – **18**

5. New DDRS which are recommended by the screening committee will be considered for grant in aid after inspection by DEPwD. However, these DDRS have to apply every year in new case category till they receive their first grant and later on under ongoing category.

6. The meeting ended with a vote of thanks to the Chair.
