**Sub -** Proposal for replacement of Mechanized Surface Dressing by 25 mm Mix seal surfacing (MSS) for wearing course.

**Ref -** 1) Govt. of India, PMGSY-III Sanction letter no. P-17024/15/2020-RC (FMS No 371917), Dated – 12/1/2023.  
2) Instruction of Hon'ble Secretary, MMGSY on Phone dt. 12/1/2023.  
3) This office letter no CE/PMGSY/206/2023, Dated 12/1/2022.  
4) Instruction of Hon'ble Secretary, MMGSY on Phone dated 31/1/2023.

Sir,

We have in receipt of clearance for PMGSY-III proposals vide letter under reference no. 1; in which 412 roads with length 2552 km & Cost Rs. 2039.86 cr. has been sanctioned with various condition. The conditions laid down are to be followed before Technical Sanction, Before Tendering & during construction.

Among and other conditions your attention is sought towards condition at S.No. 7 which state that "State should adopt surface dressing in all the roads falling in T6 Traffic category and less than T6 categories of roads with Mechanized Surface Dressing (MSD) as decided by the Empowered Committee vide point 8(i) of EC minutes. State should also update the same on OMMAS, and get confirmation from NRIDA before issue of Technical Sanction."

The works sanctioned under traffic category T4, T5 & T6 are separated the length in these category comes out to be T4- 20.75km, T5- 328.14 km & T6 – 1581.90 km Total length 1930.80 km. As per the condition to provide MSD for this length is made mandatory.

In this regard as per your initial instruction's as per reference No 2 proposal for replacement of MSD by 20 mm CC PMC for wearing course was submitted vide reference letter No. 3.

Now, as per your telephonic instruction hereby submitting cost difference for replacement of MSD by 25 MSS.

As communicated approximate cost of MSD would be  $1930.80 \text{ km} \times 3.75 @ 176.85/\text{sqm} = 128.04 \text{ crore}$  and the cost of 25 mm MSS would be  $1930.80 \text{ km} \times 253 @ 266.47/\text{sqm} = 192.93 \text{ crore}$ .

As result state will have to bear approximate cost of difference **Rs.  $192.93 - 128.04 = 64.89$  crore** towards higher specification cost.

This is for your information & further necessary action please.

D. A. :- Letters under reference.
