F.No. IPU-7/Academic/2025-26/711

Dated: 23/06/2025

Directors/Principals

Affiliated Institutes of GGSIP University,

Subject: Directions of the Admission Regulatory Committee for compliance by the Self-financing Institutions for carrying out MQ admissions Academic Session 2025-26

1. It is informed that the Proceedings of Hearing No. XIII of Admission Regulatory Committee (ARC) was held on 03.06.2025. The Admission Regulatory Committee issued following directions to ensure the smooth, transparent, and fair Management Quota (MQ) admission process:

- a) **Compliance with DPCI Rules:** All affiliated Institutes must comply with Rule 8 of DPCI Rules, 2007 in true spirit and any deviation from the Stated Rules may attract penalty and other strict actions will be initiated as decided by the Competent Authority.
- b) **Transparency:** For the information of parents and students, all affiliated Institutes and University websites must ensure display of DPCI Act & Rules at prominent place for information of all stakeholders and to ensure transparency in Management Quota admissions.
- c) **Technical Check:** The Admission Regulatory Committee observed that some of the private Institutions do not display the informations prominently related to MQ Admission on main web page on their websites. It has also been noticed through various complaints received by ARC that the online portal is either not functional or operational for some specific timings which is also not notified on the website. The stakeholders are not able to apply for MQ seats in time bound manner due to these restrictions. ARC directed that the online portal should be open 24*7 till the last date to facilitate the candidates. The Institutes should ensure proper functioning of the websites during the admission process so that stakeholders may use websites without any hassles, such as slow speeds or crashes, to prevent difficulties for students. The University will constantly monitor the websites and online portal for admission in

MQ and address the grievances of the student immediately regarding working of the portal and other related issues.

As per the directions of ARC, the University shall take strict actions against the Institutions found guilty for not providing all important informations, proper operation of online portal, display of merit list and admitted list as prescribed in DPCI Act 2007. It is also again reiterated that all the Affiliated Institutes should follow the Instructions notified by Notification No. 60/2025 dated 29.05.2025 by the University in true spirit.

- d) **Display of Applicant List**: Affiliated Institutes must display the list of all applicants with requisite details, including those who applied online and offline so that proper transparency may be ensured.
 - e) **Provisional Merit List**: The final merit list should be displayed only after all Online & Offline applications have been displayed and the students have been given the opportunity to verify the same on the website. After the verification period is over, a rank-ordered merit list be displayed/uploaded.
2. The copy of the Proceedings of Hearing No. XIII of Admission Regulatory Committee (ARC) is available at University website www.ipu.ac.in.
3. You are requested to upload the DPCI Act & Rule 2007 in the Institute website and comply with the other above mentioned directions of ARC in true letter and spirit for carrying out MQ admission in transparent manner.
