NABARD Success Story Of

Construction Of Minor Bridge On Shrirampur-Deolali-Kangar-Tahrabad-Mhaisgaon Mandve Road SH-36 at KM 79/200 Tal- Rahuri Dist- Ahmednagar

(NABARD XXVII)

श्रीरामपुर देवळाली कनगर मांडवे रस्ता (रामा- ३६) कि.मी. ७९/ २०० मध्ये लहान पुलाचे बांधकाम करणे. ता. राहुरी जि. अहमदनगर

In Ahmednagar District Rahuri Taluka there is Mhais Odha which crosses **Shrirampur-Deolali-Kangar-Tahrabad-Mhaisgaon Road** (SH 36) at KM 79/200. There was a low level CD Work of 3 Rows. In Rainy Season there were constant floods and water flowed overtopping the CD Work and Road hence traffic would remain closed. As there is heavy transportation of Milk, Sugarcane's Bullock cart, Agricultural goods to market yards and taluka place, minor bridge of length 24 m was proposed there under Nabard RIDF XXVII Scheme.

3 Span of 8.00 Meter each and 12.00 wide Minor Bridge constructed there, which was completed on date 18/08/2023.

Earlier Photo of Bridge Survey at River

So in year 2022, Minor Bridge work got approved under NABARD 27 for Rs. 189.72 lakhs. Accordingly Minor bridge of 24.00 meter in length and 12.00 m wide (3 no – 8.00 Meter Span each) constructed at the said place with Open Foundation.

Earlier, as there was Low Level CD Work, In Rainy Season villagers, farmers, and students had to face great difficulties to cross the river.
