

I am directed to refer you on the subject cited above and to inform that on 19.08.2018 this Hon'ble Court has launched following applications:

1. **Android Based Mobile Application** - It can be used to disseminate information relating to cases filed in Hon'ble Punjab and Haryana High Court, Chandigarh.
2. **Online Grievance & Feedback System** - Through this app, any person can give his/her feedback or enter grievance related to High Court, Subordinate Courts of Punjab, Haryana and UT Chandigarh.
3. **SBI MOPS (Multi Option Payment System)** - Using this app, any person can generate online copy in Punjab and Haryana High Court after making the payment of the requisite fees and can also apply online for inspection.
4. **Surety Information Management System** - In this application there is provision to identify the surety and creating repository with vital information like UIDAI Number (with consent if given), DOB, real time captured photographs of surety as well as identifier. The integration of this with CIS will result in identification of defaulters giving sureties at multiple places with bogus identities.

5. Infrastructure Web Application - It will work on three tier architecture i.e. (i) District & Session Divisions - for entering and generating reports regarding the infrastructure information of Judicial Court Complexes and Residential Houses of respective Session Division and Sub Division. (ii) High Court - for consolidation of reports and monitoring of status. (iii) Respective State Governments - can enter financial details regarding allocation, releasing, expenditure etc. related to Central/State Government Schemes and can also monitor the status.

6. CCR 3.0 (Crystal Reports Software) for CIS 3.0 - It will be used for generating reports through CIS regarding undated and unregistered cases, generation of order template for each case in CIS, generation of peshi registers, unallocated cases, transfer of cases court wise, total pendency report, report of fresh cases in filing counter.

7. E-Notices through SAANJH Kendra - It will result in speedy delivery of notices and helps in avoiding unnecessary adjournment due to non/late delivery of notice at police station level.
