Creation of Computer Server Room/ Judicial Service Centres in every Court Complexes at Districts as well as Taluka/ Tehsil Court Complexes have been provisioned under eCourts Project. As per Chapter 4-Infrastructure Model of Policy and Action Plan Document of Phase II of eCourts Project, there have been two components of Sites that is Court Complex namely Judicial Service Centre (JSC) and Computer Server Room (CSR). Computer Server Room (CSR) renamed as Network Room (NR) in order to adopt the Cloud Computing Architecture for all applications and databases required for the Courts. It has been specified that the Judicial Service Centre (JSC) in the court complex will be utilized as a hub for Reception cum Inquiry

and also as a Central Filing Centre (CFC). In the new Court Complex, the provision of JSC-cum-CFC with sufficient space and civil/ electrical infrastructure will have to be ensured as the primary requirement. A Judicial Service Center (JSC) is a specialized facility or entity that plays an essential role in facilitating the effective operation of the judicial system at local, district, or national levels. JSC has been provisioned as a part of Site Preparation in a Court Complex with Computer Server Room. These centers aim to make the judicial process more accessible, efficient, and transparent for all stakeholders, including the public, legal professionals, and the courts. There are some of the key details and functions of a Judicial Service Center i.e. Court Administration and Case Management, Public Information and Outreach, Court Filing and Document Management, Technology and Infrastructure Support, Courtroom and Facility Management. In order to make effective the use of eServices in the Judicial System and establishing One Stop Centre, all the Courts of District Judiciary have been directed for proper functioning of Judicial Service Centre/ Centralized Filing Centre (JSC/CFC) at every Court Complex in accordance with Standard Operating Procedure (SOP) for centralized filing of cases, applications & documents by the advocates and litigants and to facilitate the advocates/ litigants regarding e-Services. Some services will be available at JSC/CSR i.e. One Stop Centre for centralized filing of cases, Onsite Help Desks for eServices like e-filing, e-pay, virtual hearing, case status, cause list, uploaded orders/ judgments, Uniform Classification Methodology, it helps to keep the public informed about ongoing cases, providing transparency and accountability in the judicial process.

Launch of Leave Management System For District Courts Establishment, Nagaland

The eCourts Team of Kohima Bench, Gauhati High Court, Nagaland is pleased to share the successful rollout of the Leave Management System (LMS) for District Courts Establishment across Nagaland which was formally inaugurated on 25.06.2025 at the Kohima District Court Complex by Hon'ble Mrs. Justice Yarenjungla Longkumer, Judge, Gauhati High Court. This in-house software was developed by the eCourts Team of Kohima Bench using open source web technology making it both cost-effective and adaptable to the specific needs of the District Courts Establishment across Nagaland. The Leave Management System (LMS) is a web-based platform designed to streamline and digitize the leave application process for District Court staff. It empowers employees to submit leave requests online, while enabling sanctioning authorities to review, process and approve applications with efficiency,

transparency and accountability. The LMS ushers in a centralized, paperless workflow, delivering real-time updates and automated notifications that significantly enhances administrative productivity. By maintaining an accessible digital trail of all leave transactions, the system promotes transparency and accountability within the judicial administration. Furthermore, the LMS reinforces the judiciary's commitment to eco-conscious governance, reducing paper consumption and championing sustainable digital practices across court establishments. This pioneering step marks yet another stride in the ongoing journey toward smarter, more efficient and environmentally responsible Court administration in Nagaland.
