#### Guidelines for effective meeting:

1. Get connected through only one device from a single place otherwise there would be the problem of echo of sound and it would be difficult to hear the person.
2. There should be proper lighting from behind the camera.
3. Keep your microphone muted, open your microphone at the time of speaking only.
4. All VC will be held as per U.P. Video Conferencing Rule 2020

NOTE: For any type of technical support or time slot engagement kindly contact Concerned court staff or Computer Centre.
