**HIGH COURT OF GUJARAT
NOTICE**

No. ITC / 1053/2026

Date: 29/04/2026

Subject: Launch of upgraded eCourts Services Mobile Application Version 4.0 by the Hon'ble e-Committee, Supreme Court of India and mandatory data backup.

It is hereby brought to the notice of all the stakeholders that the Hon'ble eCommittee, Supreme Court of India, has launched the upgraded Version 4.0 of the eCourts Services Mobile App.

Core Enhancements of the version are:

1. Technological Compliance: The app now targets Android 14 (API level 34), ensuring continued availability on the Google Play Store for users with the latest hardware.
2. Performance Upgrade: The shift to native rendering engine facilitates faster load times, smoother animations, and more efficient resource management.
3. Ergonomic UI Redesign: Following expert consultation, the interface features a minimalist design with bottom-tab navigation menu for easier one-handed use.
4. Functional Improvements:
 - a. Direct Order Access: Clickable links within the "Case Status" screen allow users to view order PDFs directly.
 - b. Case Conversion Tracking: A new table enables users to view both old and new case numbers for converted cases.
 - c. Personalization: The "My Cases" section now utilises pagination (10 records per page) to resolve previous unresponsiveness and "page hanging" issues.
 - d. Unified Quick Links: All secondary services like ePay, NJDG, and eFiling are consolidated into a single "Quick Links" menu for intuitive navigation.
 - e. Integrated with BHUVAN maps for locating Court Complexes.

To safeguard user data, and ensure a seamless migration across all judicial tiers, **it is mandatory to take data backup of the mobile App**. Users can use the "**Export**" feature in their current app to back up their saved cases. This is essential to prevent any data loss during the transition to the new React Native storage architecture.

Users are provided a 15-day window for data backup before the upgraded version goes live on May 5, 2026. All stakeholders are advised to complete their data backup immediately to ensure a seamless transition to the upgraded digital platform.

The User Manual for a detailed step-by-step guide on using the new features and performing the data migration is available at https://gujarathighcourt.nic.in/pdf/eCourts_Service_Mobile_App_User_Manual.pdf
