Furthering this mission of expanding institutional outreach, Hon'ble The Chief Justice virtually inaugurated the Court of District & Additional Sessions Judge alongside the Family Court (Camp Court - Additional Sitting) at Bhilai-3, delivering an inspiring keynote address that emphasized bringing swift, dignified, and accessible dispute resolution directly to the doorsteps of litigants.

Message from the Office of Principal District and Sessions Judge, Durg

Shri K. Vinod Kujur
Principal District &
Sessions Judge, Durg (C.G.)

It gives me immense satisfaction to highlight the historic progress achieved by the District Judiciary, Durg, under the transformative and august leadership of Hon'ble The Chief Justice, High Court of Chhattisgarh and esteemed Judges of the High Court. His Lordship's emphasis on modernizing judicial infrastructure, expanding regional court networks, and pioneering e-governance initiatives continues to fortify the administration of justice across our State.

The month of August 2026 marked an epochal milestone in our district's history. The presence and guidance of Hon'ble the Chief Justice, along with esteemed Judges of the High Court of Chhattisgarh, bestowed immense distinction upon our proceedings as we witnessed the Bhoomi Poojan and laying of the plaque of the Foundation Stone Laying Ceremony for the new District and Sessions Court Complex.

The virtual inauguration of the Court of District & Additional Sessions Judge and Family Court (Camp Court - Additional Sitting) at Bhilai-3 fulfilled a long-standing need for judicial decentralization.

A major highlight of these celebrations was the release of the landmark publication titled "Sandhi Setu" (Community Mediation Manual), prepared under the guidance of the Hon'ble High Court of Chhattisgarh, symbolizing a progressive leap towards institutionalizing amicable dispute resolution at the grassroots level. Complementing these infrastructural and literary endeavors, the launch of pioneer Digital Justice Initiatives including the Cashless Fine Payment Facility, the AFR Mobile Application, and the Court Fee Ticket Generation System, reflects our unwavering resolve toward building a digital-first, accessible, and citizen-centric judiciary.

I place on record my deepest gratitude to Hon'ble the Chief Justice and esteemed judges for their steadfast support, to the Hon'ble High Court Judges for their gracious presence, and to the entire judicial team, administration, and staff of District Court Durg whose coordinated efforts ensured the successful execution of these monumental events.

Delivering the welcome address, Shri K. Vinod Kujur, Principal District & Sessions Judge, Durg underscored that a court building represents far more than physical structures, it embodies the sacred space where citizens seek justice with faith in the rule of law. Developed by the District Legal Services Authority (DLSA), Durg, under the guidance of Hon'ble the High Court of Chhattisgarh and in line with NALSA directives, Sandhi Setu serves as a practical manual dedicated to the principles of Community Mediation.

"Sandhi Setu" (a Book on Community Mediation)

The title beautifully captures its core philosophy: "**Sandhi**" represents reconciliation and resolution, while "**Setu**" connotes a bridge. Together, the publication embodies a bridge transforming disagreement into dialogue, conflict into consensus, and legal disputes into durable peace. By establishing a structured framework for alternative dispute resolution, Sandhi Setu reinforces the principle that true justice lies not in prolonged litigation, but in preserving relationships and social harmony.
