Two-Day Orientation on New Criminal Laws at all District Headquarters of Rajasthan

The two-day orientation training program was conducted at all the District Headquarters of Rajasthan on 25.05.2024 and 26.05.2024. This comprehensive program aimed to sensitize all judicial officers, identified prosecutors, and advocates on the three new Criminal Legislations: 'The Bharatiya Nyaya Sanhita', 'Bharatiya Nagarik Suraksha Sanhita', and 'Bharatiya Sakshya Adhiniyam'.

The resource persons for this training program were selected from among the stakeholders themselves, including experienced judicial officers, prosecutors, and advocates, ensuring a thorough and practical approach to the new laws. The primary objective behind this initiative was to develop experts within each district, enabling experienced judicial officers to clear any doubts and provide guidance to newly appointed judicial officers regarding the New Criminal Laws-2023. This peer-to-peer learning approach ensures continuous support and clarity in the implementation of the new laws across the state.
