CORAM: HON'BLE MR. JUSTICE J.R. MIDHA ORDER 06.12.2017

Section 24 of the Hindu Marriage Act empowers the Court to award mathematice pendente lite and litigation expenses to a party who has no independent income sufficient for his/her support in proceedings pending parties. The Proviso to Section 24 provides that application under Section 24 shall be disposed of within 60 days of the date of service of notice on the opposite party.

2. Vide judgment dated 14^{th} January, 2015, this Court laid down the guidelines for expeditious hearing and disposal of maintenance applications under Section 24 of Hindu Marriage Act. This Court considered the *Best International Practices* with respect of the mandatory filing of an affidavit of assets, income and expenditure by both the parties in matrimonial disputes: This Court formulated an affidavit of assets, income and expenditure to be filed by both the parties at the very threshold of the *FAO 369/1996* Page 1 of 6

litigation. This Court sought the response of the Courts below on the working of the guidelines and further suggestions. On 29th May, 2017, the guidelines were partly modified. Further suggestions have been received from the learned amicus curiae as well as the Family Court which warrant further modification of the guidelines dated 14th January, 2015 and 29th May, 2017

1. Sunil Mittal, learned amicus curiae submits that the affidavit of assets, income and expenditure of the parties be taken after completion of the pleadings, in the maintenance application. It is submitted that the filing of the affidavit along with the petition gives undue advantage to the respondent. It is further submitted that the substantive pleadings get delayed due to the time taken in collecting the documents and filing of the affidavits. Learned amicus curia seeks clarification that the format of the affidavit of assets, income and expenditure has to be used by the Courts as guidelines to determine the income of the parties. It is further suggested that in appropriate cases, the Family Courts should have discretion to dispense with the affidavit or modify the information required from the parties in the affidavit. It is submitted that the litigants belonging to the lowest strata of the submitted that the affidavit. It is further submitted that the affidavit of assets, income and expenditure may not be necessary in some cases, such as cases where the respondent agrees to pay the maintenance without contesting the application for maintenance or where parties belong to the lowest strata of the society. Reference is made to Section 9 and 10 of the Family Courts Act, 1984 and Section 28(2) of the Protection of Women form Domestic Violence Act, 2005 which empowers the Courts to formulate such procedure as it deems fit.

4. Ms Reena Singh Nag, Addl. Principal Judge, Family Court (West) has suggested that instead of the filing of the affidavit along with the petition FAG 369/1996 Page 2 of 6 and the written statement, it would be appropriate to direct both the parties to simultaneously file their affidavits, after the completion of the pleadings, in the maintenance application. It is further suggested that the party seeking maintenance be directed to give the particulars of his/her savings bank account in the maintenance application itself so that the opposite party can be directed to deposit/transfer the maintenance amount directly in that savere bank account.

5. Ms. Anu Narula, learned amicus curiae submits that it is the duty of the first instance before proceeding to grant any relief to the parties in matrimonial matters. Reference is made to Order XXXIIA Rule 3 of the Code of Civil Procedure, 1908; Section 9 of the Family Courts Act, 1984; Section 23(2) of the Hindu Marriage Act, 1955 and Section 34(2) of the Special Marriage Act, 1955. It is submitted that reconciliation efforts be directed to be taken up by the Courts immediately after the filing of the affidavit of assets, income and expenditure by the parties but before commencement of the hearing on the maintenance application.

6. On careful consideration of the suggestions of the Family Courts and **the medianicus** curiae, this Court is of the view that the affidavit of assets, income and expenditure should be filed simultaneously by both the **the maintenance application**, to avoid any undue advantage to the party who files his/her affidavit of assets, income and expenditure later. The simultaneous filing of the affidavit after the completion of the pleadings in the maintenance application would also give reasonable time to the parties to prepare their affidavits and compile the relevant documents and would avoid the delays.

7. The judgments dated 14th January, 2015 and 29th May, 2017 are modified to the following extent:

Applying the principles laid down in Section 10(3) of the Family Courts Act, 1984 read with Section 165 of the Indian Evidence Act, relating to the duty of the Court to ascertain the truth and Section 106 of the Indian Evidence Act relating to the duty of the parties to disclose their income, this Court has formulated the format of the affidavit of assets, income and expenditure attached hereto as 'Annexure A1'. The documents required to be field along with the affidavit are prescribed in the format of the affidavit.

2. The affidavit of assets, income and expenditure is to be treated as galdelines to determine the true income of the parties. The Courts is at liberty, to determine the nature and extent of information/documents and documents to determine their true income. The Courts are at liberty to pass appropriate directions as may be considered necessary to do complete justice between the parties and in appropriate cases, such as the cases belonging to the lowest strata of the society or case of a litigant who is a permanently disabled/paralytic, the Court may, for reasons to be recorded, dispense with the requirement of the filing of the affidavit or modify the information required.

While formulating the affidavit – Annexure A1, this Court considered Best International Practises mentioned in para 18 of the judgement dated 14^{th} January, 2015. However, this Court has only considered important questions and documents though many more calculated incorrections were considered, which would have complicated the affidavit and caused inconvenience to the litigants. The Courts are at

liberty to consider *Best International Practises* mentioned in para 18 of the **archement** dated 14th January, 2015 as the guidelines for seeking relevant information and documents.

the Court shall fix the date for reconciliation and direct the parties to file their affidavits of their assets, income and expenditure simultaneously at the commencement of the reconciliation. It is clarified that the filing of the affidavit of assets, income and expenditure is no more mandatory to be filed along with the petition and the written statement, as directed earlier. The Court shall also direct the party seeking maintenance to produce the passbook of his/her savings bank account in which maintenance can be deposited/transferred.

Page 2 of 4

9. The Court shall ensure that the filing of the affidavits by the parties is not reduced to a mere ritual or a formality. Whenever the opposite party character sufficient material to show concealment or false statement in the affidavit, the Court may consider examining the deponent of the affidavit under Section 165 of the Evidence Act to elicit the truth. The principles results to the scope and powers of the Court under Section 165 of the Evidence Act have been summarized in *Ved Prakash Kharbanda* v. *Vimal Bindal*, (2013) 198 DLT 555 which may be referred to. In appropriate cases, the Court may direct a party to file an additional affidavit relating to his assets, income and expenditure at the time of marriage and/or one year before separation and/or at the time of separation.

10. If the statements made in affidavit of assets, income and expenditure are found to be incorrect, the Court shall consider its effect while fixing the maintenance. However, an action under Section 340 Cr.P.C. is ordinarily **not increated** in matrimonial litigation till the decision of the main petition.

At the time of issuing notice the maintenance application, the Court half consider directing the petitioner to deposit such sum, as the Court may constant appropriate for payment to the respondent towards interim litigation/part litigation expenses. However, in cases such as divorce petition by the wife who unable to support herself and is claiming maintenance from the respondent husband, it may not be appropriate to direct the petitioner-wife to pay the litigation expenses to the respondenthusband.

12. The interim litigation expenses directed by the Court at the stage of issuing notice, does not preclude the respondent from seeking further litigation expenses incurred by the respondent at a later stage. The Court shall up scient the respondent's claim for litigation expenses and pass an appropriate order on the merits of each case.

December, 2017

13. If the disposal of maintenance application is taking time and the delay is causing hardship, *ad-interim* maintenance be granted to the claimant **sporse of the basis** of admitted income of the respondent.
