Subject: Regarding turning on/off Thin Client Systems

It has come to the notice of undersigned that the Thin Client Systems, meant to display the current status of running case(s) of the cause list, installed at each court are not being turned on by the concerned staff, as a result of which the advocates as well as the litigants are unable to know as to whether the case has been called or not.

It is impressed upon all the Ld. Judicial Officers, posted in East, North-East and Shahdara district, to direct their staff (Reader/PA/Ahlmad) to get the Thin Client Systems turned on, on or before 10:00am on all working days. The staff shall also ensure to give it a proper shut down before leaving the court premises in order to avoid any malfunctioning.

This issued with the prior approval of Ld. Principal District & Sessions Judge, East, North-East and Shahdara district.
