WORKING STRUCTURE OF RTI BRANCH & RTI APPEAL

- The work of RTI Branch is of urgent nature and time bound. The applications under Act are being received regularly which have to be registered. Requisite fees is checked and postal order enclosed with RTI applications is to be realized from the post office. After examining the application the same is sent to the concerned Court/Branch and the query-wise information is called.
- Once the information is received, the same is compiled and the information is sent to the applicant after getting it attested from PIO. RTI applications are also transferred to other departments if the information sought pertains to other department. This Branch also prepares the quarterly statement and sends the same to Central Information Commission. All the applications are disposed of by the Public Information Officer within stipulated time and all such data is transmitted to the website of GNCT, Delhi.
- Appeals are also being received by this branch which are urgent and time bound. On receipt of appeal, the same has to be put up before Ld. Appellate Authority who then orders for issuance of notices to the parties. The staff then assists the Public Information Officer while appearing in the court for proceedings in the appeal. Once the order in the appeal is passed, the same has to be sent to the appellant after making necessary entries in all the relevant registers.
- Sometimes applicants are not satisfied with the information provided by the PIO or with the order passed by the Appellate Authority and then they file appeal in the CIC for which this branch receives notices to appear before the CIC. All the matters and correspondence related to that has to be handled by this branch.
