Respected Sir,

I am directed to refer you on the subject cited above and to inform you that Hon'ble Supreme Court of India has launched the SCR (Supreme Court Reports) portal on 07.05.2025. The SCR portal is the official law reporter of Hon'ble Supreme Court of India and has been formed after merging the extant eSCR and DigiSCR portals, both of which stand decommissioned.

The said SCR portal can be accessed by clicking the link <https://scr.sci.gov.in/scrsearch/> and/or by navigating through the official Supreme Court website under the head 'eServices', as well as on the website of this Court i.e. highcourtchd.gov.in under the Tab > Supreme Court Reports (SCR).

You are, therefore, requested to disseminate this information amongst the respective District Bar Associations, law colleges and educational institutions for effectively availing the facility of SCR.

Yours faithfully,

Joint Registrar
