Dear Registrar General,

The Supreme Court of India has recently inaugurated the National Judicial Museum and Archive (NJMA) which depicts the journey of Indian Judiciary from the ancient era to the present age. Concerted efforts have been made to provide insights into High Courts across India covering panoramic photography and videography of courtrooms, buildings and the artefacts, architectural features, courtrooms, museum, library, etc. of the High Courts, important applications, orders, judgments/orders and other relevant archival documents of the High Courts and perspectives from the past shared by selected experts and members of the High Courts.

In view of that, we now desire that the artefacts, photographs, etc. of the High Courts, offices and the staff of the High Courts and the Courtroom be displayed on the walls of the Supreme Court of India. This will help to propagate the culture of the various States and will be a great contribution in the field of art amongst the judicial fraternity.

In regard, I request you to send photographs of 10-15 pictures of such artefacts/artwork/offerings on the following email:

"adam.gen@scindia.in"

We are, therefore, requested to place this letter before Hon'ble Chief Justice of India and the Court for kind information and necessary action.

With regards,

Yours sincerely,

Atul M. Kurhekar
