(All in the State of Madhya Pradesh)

Subject: Regarding updation of online status and linking of Lower Court Case Information (CNR Number) of cases concerned cases pending at High Court of M.P.

Respected Sir,

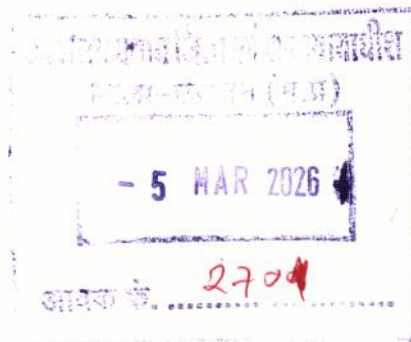

It is respectfully submitted that the Hon'ble Court, vide order dated 25.02.2026 passed in W.P. No. 12131/2024, has observed that the details of the suit proceedings related to the aforesaid writ petition were not available on the online portal, which resulted in undue delay in the disposal of the case.

In view of the above observation, and with a view to prevent recurrence of such situations in future, it is requested that necessary directions may kindly be issued to ensure timely updation of online details of suit proceedings in respect of cases pending before the Hon'ble High Court.

In order to avoid recurrence of such situation in future, it is requested to update the online details of suit proceeding concerned with the cases pending in the High Court. Further, if a matter has been filed before the Hon'ble High Court challenging an order passed by Appellate Court, then in such circumstances it would be appropriate to link the Lower Court Information (CNR Number) of both the order passed by the Appellate Court and order passed by the Trial Court with the case pending before the Hon'ble High Court.

WP No. 12131 of 2014

(VIJAY KUMAR NAHATA AND OTHERS Vs SMT. RAJNI CHOUHAN)

Dated : 25-02-2026

None for the petitioners.

Shri Ramji Pandey - Govt. Advocate for State.

When the matter is called out, counsel for the petitioners is not present.

The matter is arising from the order passed under the provisions of Order 39 Rule 1 & 2 of CPC and thereafter challenging before the Appellate Court.

This petition is pending since 2014. Probably by efflux of time, the suit proceedings must have been decided by the concerned Court.

However, from on-line verification about the status, the Law Clerk could not find any details regarding the suit proceedings.

Such state of affairs regarding non updation by the concerned trial Court about the details of the suit proceedings is creating undue delay in disposal of the cases.

Let Registry may verify the same and also bring to the notice of the Principal Registrar (Judicial) as well as Registrar, Information & Technology to do the needful in the matter by taking immediate corrective action to see that all the Courts shall update the details of the suit proceedings so that it can easily available in the website of the High Court so that appropriate orders can be passed.

List on 10.03.2026.

Registry shall call for the report before the next date of hearing.

CIS 4.0 Guidelines.

Respected Sir,

Hon'ble Court vide order dated 25.02.2026 in W.P.No.7000/2014 observed that online status of Civil Suit No.31-A/2011 passed by 1st ADJ, Raisen, shows disposed of, however, in nature of disposal, it shows transferred to other Court of same district. This discrepancy has created ambiguity regarding the actual present status of the proceedings.

In order to prevent recurrence of such situations before Hon'ble Court, it is requested to update the status cases transferred and received from one establishment to other establishment as per the Manual of Case Information System (CIS) 4.0 issued by e-Committee, Supreme Court of India.

Further, it is requested to ensure that online status of each case to be transferred or to be received should properly updated and online status of the cases which have been transferred and received by transfer should also be also be updated without any mistake.

(MAHANT BHAGWANDAS Vs REGISTRAR PUBLIC TRUST AND SUB DIVISIONAL OFFICER AND OTHERS)

None for the petitioner.

Shri Vijay Shukla - Panel Lawyer for the respondent/State.

It transpires that the present petition arising from the proceeding of Civil Suit No.31-A/2011 passed by First Additional District Judge, Raisen. Thereafter from the online status, it transpires that the status shows disposed of, however, in nature of disposal, it shows transferred to other Court of same district.

Let the Registry may look into the matter and call for the present status report of the proceeding by tracking the proceeding of the present matter which is transferred to the another court. Registry shall also look into the matter, as on hand status shows disposed of and at the same point of time, the online status also shows in nature of disposal that the matter is transferred to other court of same district which is creating confusion. Therefore, Registry may look into the matter by drawing attention of Registrar (Judicial) as well as Registrar (IT) for necessary correction and submit the report by calling from the concerned court about the present status of the proceeding before the trial Court which shall reach to this court on or before 6.03.2026.

List this matter on 09.03.2026.
