

OFFICE OF THE PRINCIPAL DISTRICT & SESSIONS JUDGE (NORTH), ROHINI COURTS, DELHI

CIRCULAR

Pursuant to directions contained in *Action Plan for Arrears Reduction in Delhi District Judiciary* formulated by the Hon'ble High Court of Delhi vide letters No. 135-146/SCMS/DHC/2024 dated 04.06.2024 & No. 12004-05/CFM/DHC dated 04.06.2024, all the Judicial Officers are impressed upon to make an endeavor to ensure the strict compliance of the following principles and to send a compliance report in this regard to the Judicial Branch by 1st July, 2024 positively:

Physical verification of cases: A comprehensive physical verification of case files be carried out. This process is critical not only for ensuring the accuracy of data but also for correctly identifying the old cases, which will be the primary focus during the subsequent two phases of targeted case management. After the physical verification of case files, reconcile the findings with the data shown on the National Judicial Data Grid/CIS. The necessary corrections would ensure that the data on the National Data Grid/CIS accurately reflects the actual number of cases. This process must be completed in this phase preferably before the end of the Summer Vacations in 2024 and can effectively be carried out during the summer vacation period. This step would ensure that the data on the National Judicial Data Grid & CIS accurately reflects that actual number of cases.

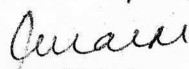

Point 3.2.1 (c):

Undated cases: Identify undated cases and make concerted efforts to assign hearing dates to each case. Once identified, appropriate dates should be assigned as promptly as possible.

Point 3.2.1 (d):

Reconstruction of record of lost files: In the event that the record of an old or targeted case included in the action plan is lost, efforts be made to reconstruct the record as early as possible. It may involve soliciting copies from the parties, retrieving relevant court orders etc.

Non-compliance of the above directions, shall be viewed seriously.
