Dear Shri Sharma,

This is in continuation to our discussion on the subject, this afternoon.

The Supreme Court of India has developed a next generation hybrid database, Integrated Court Management and Information System, which would help all the stakeholders to get the information about the cases online through website. It will also help continuous tracking of the cases by the litigants, Advocates, etc. It provides digitally secured and transparent environment in case filing and management for empowering the litigant, and for implementing digital filing as a step towards paperless Supreme Court.

This next generation hybrid database, Integrated Court Management and Information System will be inaugurated by Shri Narendra Modi, Hon'ble the Prime Minister of India, on Wednesday, 10 May, 2017 at Plenary Hall, Vigyan Bhawan, New Delhi.

Under directions, may I request you to extend invitation on behalf of the Supreme Court of India to all the Judicial Officers under the jurisdiction of your High Court and the panel lawyers empaneled with DSLSA, to witness the historic occasion. The invitation cards and minute-to-minute programme of the function are in the process of finalisation and I shall have them sent to you as soon as they are ready.

With regards,

[Ravindra Maithani]
Secretary General
