HIGH COURT OF DELHI: NEW DELHI
(Gazette II-A Branch)

No. _____/DHC/Gaz.II-A/G-12/DJA/2026

CIRCULAR

Sub: PUNCTUALITY IN ATTENDING TRAINING PROGRAMMES AT DELHI JUDICIAL ACADEMY.

Undergoing judicial training programmes is important for all the attendees / judicial officers to equip them to efficiently deal with different jurisdictions assigned to them.

A feedback has been received from Resource Persons that punctuality has not being maintained by some of the attendees who either reach late or leave before the conclusion of the training programme. Such conduct is disrespectful to the resource persons besides being disruptive of the training and tantamounts to dereliction of duty.

A serious view of the same has been taken by this Court.

Therefore, all attendees are impressed upon to report to the Delhi Judicial Academy in time for attending the training programmes and to attend them with sincerity till the conclusion of the training session.
