Sub: Mediation for the Nation 2.0

Respected Madam/Sir,

Your good self is well aware that the first mediation for the nation drive began on 1 July 2025 and it is continuing till last case referred in the drive is pending for mediation.

The preliminary data shows that about one lakh cases were settled. Some settlements may result in disposal of more than one matters as in those disputes many cases-counter cases are pending between the parties.

About six crore cases are pending in Indian Courts and cases related to matters as follows are most fit for mediation:

1. Matrimonial cases including DV Act cases and 498A IPC/85 BNS cases.
2. Cheque bounce cases
3. Accident claims case

4. Criminal Compundable cases

5. Land Acquisition cases

6. Partition cases

7. Eviction Cases

8. Commercial Disputes

9. Suitable Service Matters cases

10. Labour Acts cases

11. Contract Act cases

12. Consumer Cases

13. Other suitable civil cases

During the first **Mediation for Nation** drive, data was called and received which shows that about 1.7 crore cases under aforesaid categories are pending in Indian Courts.

Given the Mediation success rate, more than 40 lakhs cases will result in settlement if all cases are referred for Mediation in one go. But, we don't have such number of mediators.

Rule 3(b) of the MCPC Mediation Rules 2015 provides for availing services of persons who are not mediators under exceptional circumstances as mediators. Besides, MCPC has recently imparted Mediation training to massive number of persons.

All the trained mediators including the recently trained ones as well as invoking rule 3(b) of MCPC Mediation Rules 2015 may provide us sufficient number of mediators in **Mediation for Nation 2.O**.

His lordship, Hon'ble Chairman MCPC has been pleased to view that before the commencement of 2nd drive, data in the format as below should be called for from all the High Courts of India for placing before his lordship :

Mediation 'For the Nation' 2.0

The RSLSA's guidelines for successful implementation of Mediation campaign of NALSA

1. That for successful campaign of Mediation 'For the Nation' 2.0, it is required that the entire district judiciary be directed to make an audit of the pendency in their respective courts and find out cases in which the element of settlement through Mediation may be explored. For this it would be required that each and every judicial officer should apply his mind on the probabilities of settlement in each and every case by devoting special time after finishing his board for the day. This is required that if a court has 1000 cases and it has to apply its mind about the probable element of settlement in those pending cases, then the respective courts should go through at least 50 cases on every working day. As this has been warranted by the NALSA that the cases are to be taken irrespective of the date fixed in the matter, the entire referral exercise is to be carried out within the month of January. For achieving the aforesaid target, each court has to go through the required number of matters in proportion to pendency of that court. Thereafter, it would be convenient for the court concerned to publish the special cause list under the heading – 'For referral to the special mediation drive- Mediation 'For the Nation' 2.0.
2. That for achieving the maximum result through mediation, it is advisable that the subject specific strategy should be taken by the courts. In other words, the court concerned having a specific jurisdiction would require to adopt a particular methodology for success of the campaign. For example, the family courts have to categorise the cases of maintenance, divorce, custody and the services of the counsellors for each category by allocating a specific day for a kind of cases would facilitate the outcome.

   Similarly, the bunching of cases of a particular financial institution with respect to the amount involved under cheque would facilitate the presiding officer in identifying the cases for referral and further for successful mediation through subject-matter expert.

   In the same manner, the bunching and segregation is required in the cases pertaining to Motor Accident Tribunal, Rent disputes, Commercial disputes, land acquisition etc.

3. That for the comprehensive strategy, this is proposed that the following steps would be convenient for special mediation drive 2.0 –

A. Negotiable Instrument Cases

02.01.2026 to 05.01.2026	Identification and segregation of cases with respect to value of cheque and bank/ NBFC/ private parties.
06.01.2026 to 31.01.2026	Take up at least 50 cases per day by preparing an advance special cause list irrespective of the date given in the matter after due application of mind that settlement may be possible through mediation.
09, 17, 23, 31 January, 2026 07, 13, 21, 27 February, 2026 06, 13, 23, 30 March, 2026	Each and every court shall furnish the required information in the prescribed Performa-'A'
	The special notice for mediation may be issued which must carry the name and mobile number of parties and their advocates besides other available mode of communication such as email ID of the concerned parties/ banks/ NBFC.
	The special NI Courts would ensure to request the Ld. Advocates and parties to appear according to published advanced cause list of the day. A special LDC may be deputed to work beyond office hours to communicate the parties and their Advocates on their available telephone numbers to appear in such identified cases on the date fixed in the special cause lists.
	The District Judge and Chief Judicial Magistrate concerned would ensure the services of notices in coordination with the district and police administration. The appointment of a Nodal Officer from the Police Department would be of great help. Such Nodal Officer may not be below the rank of Deputy Superintendent of Police.
01.02.2026 to 31.03.2026	The concerned DLSA shall ensure the availability of the mediators on all the 07 days of the week. The Ld. Courts while referring the matters shall take care about the preferences of the time slot and date being requested by the parties and their advocates.

	The concerned DLSA Secretary shall ensure the transmission of the data of total number of referred cases by 31st January 2026.
	The concerned DLSA Secretary shall ensure the transmission of data of successful and unsuccessful cases on the prescribed dates i.e. 2nd , 09th, 16th, 23rd February and 9th, 16th, 23rd and 30th March 2026 to RSLSA.
	The concerned DLSA Secretary shall ensure the transmission of data as to total matters referred to Mediation and total matters settled on 06th April 2026 in a given format.

B. Motor Accident Claim Tribunal (Accident Claim Cases) along with outlying ADJ Courts having jurisdiction of accident claim cases

02.01.2026 to 05.01.2026	Identification and segregation of cases with respect to injury cases and death cases. The Tribunals shall further segregate the injury cases in the category of simple injury (petty cases), grievous injury cases (without permanent disability) and cases of permanent disability.
06.01.2026 to 31.01.2026	Take up at least 5 % cases of the total pendency in the court on each working day by preparing an advance special cause list irrespective of the date fixed in the matter after due application of mind that settlement may be possible through mediation.
09, 17, 23, 31 January, 2026 07, 13, 21, 27 February, 2026 06, 13, 23, 30 March, 2026	Each and every court shall furnish the required information in the prescribed Performa-'A'
	The Tribunal while applying its mind on the probable element of a settlement in a case, would also see that whether any medico-legal evidence/ certificate is due in the matter OR whether the verification of any document such as DL, insurance cover note, permit etc. is pending and which may hamper the mediation, then the Presiding Officer shall make efforts for procuring the same on record by constant communication with the CMHO concerned and RTO/DTO etc. besides having a pre-hand discussion with

	the counsel representing the insurance company about the expected proposal from such company.
	The special notice for mediation may be issued thereafter and such notices must carry the name and mobile number of parties and their advocates besides other available mode of communication such as email ID of the concerned parties/ insurance companies.
	The Tribunals would ensure to request the Ld. Advocates and parties to appear according to published advanced cause list of the day. A special LDC may be deputed to work beyond office hours to communicate the parties and their Advocates on their available telephone numbers to appear in such identified cases on the date fixed in the special cause lists.
	That since it is a special drive for mediation, the District Judge and Chief Judicial Magistrate concerned would facilitate the Tribunals and shall ensure the services of notices in coordination with the district and police administration. The appointment of a Nodal Officer from the Police Department would be of great help. Such Nodal Officer may not be below the rank of Deputy Superintendent of Police.
01.02.2026 to 31.03.2026	The concerned DLSA shall ensure the availability of the mediators on all the 07 days of the week. The Ld. Courts while referring the matters shall take care about the preferences of the time slot and date being requested by the parties and their advocates.

	The concerned DLSA Secretary shall ensure the transmission of data as to total matters referred to Mediation and total matters settled on 06th April 2026 in a given format.

C. Matrimonial Disputes Cases (Family courts as well as outlying ADJ Courts having jurisdiction in Matrimonial Disputes Cases)

Identification and segregation of cases with respect to nature of dispute involved. The court shall further segregate the cases with respect to length of proceedings pending before them i.e. with respect to oldest to latest institution and prayer made therein.
	It is also in the right direction that if the court concerned would take help of the counsellor and if the possibilities of reunion is not coming out in first hand discussion then the mediator may look for amicable settlement leading to separation of the parties.
06.01.2026 to 31.01.2026	Take up at least 5 % cases of the total pendency in the court on each working day by preparing an advance special cause list irrespective of the date fixed in the matter after due application of mind that settlement may be possible through mediation.

06.01.2026 to 31.01.2026	Take up at least 5 % cases of the total pendency in the court on each working day by preparing an advance special cause list irrespective of the date fixed in the matter after due application of mind that settlement may be possible through mediation.
