

**OFFICE OF DISTRICT & SESSIONS JUDGE (HQs), DELHI**

**CIRCULAR**

Migration process from Delhi Court Information System (DCIS) to National Core Case Information System 2.0 (CIS-2.0) has been successfully completed in all the Districts of Delhi. Data of all the courts of Delhi can now be accessed through **ecourts.gov.in/services** and National Judicial Data Grid (NJDG) i.e. **ecourts.gov.in/services/njdg/index.php** after selecting State as 'Delhi' and respective District.

All the Judicial Officers are requested to access the same and also to ensure that daily orders, judgments etc. of their respective courts are duly uploaded on day-to-day basis and the 'actual pendency as per physical verification' matches with the data available on Internet.

All the concerned staff officials are apprised that delayed uploading & major variation between actual pendency and data entered in CIS 2.0 would invite disciplinary action.
