Dear Shri Dev

The World Bank's Doing Business Report, 2020 (DBR) is expected to be released in October 2019, corporating reforms implemented up to 1st May, 2019. The assessment period for DBR 2021 has already started (from 2nd May, 2019). Accordingly, the reforms which are required to create a conducive business environment and which will also help improve India's ease of doing business ranking, must be implemented by 1st May 2020.

2. India ranks 163 out of 190 economies in **'Enforcing Contracts'** indicator. Continued efforts from all the implementing Ministries/Departments are required to ensure that reform measures are implemented with right earnest and are experienced by the users. For this, it is suggested that your Department may implement reforms (Annexed herewith) and engage with users to gauge their perception and feedback on the reforms.

3. Also, I would request you to take up the following activities:

a. Update and promote the status of the implemented reforms on the website of the department (relevant notifications/orders, etc.).

b. Conduct series of orientation workshops/ training of the relevant officials including front line officers of the department

c. Develop a media strategy for creating awareness among the practitioners/users through extensive communication

4. It is of utmost importance that sincere efforts are made to improve India's rank in DBR in the upcoming years.

I am regards

Yours sincerely,

(Guruprasad Mohapatra)

Shri Vijay Kumar Dev
Chief Secretary
