High Court Of Rajasthan Implements RHC-Faster System For E-Transmission & Migration Of CIS Bilingual Toggling System In District & Subordinate Courts

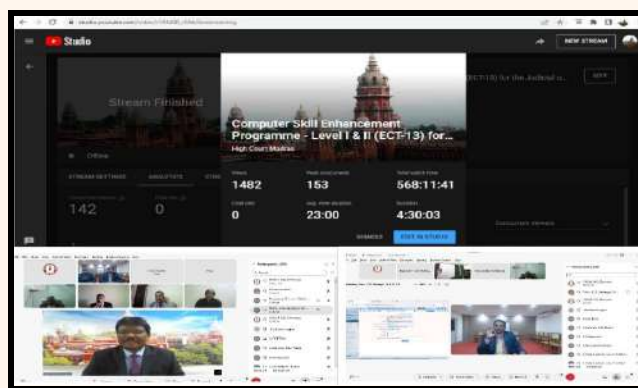

On the lines of FASTER launched by the Hon'ble Chief Justice of India for the Supreme Court, for expeditious transmission of e-authenticated copies of orders/ judgments for compliance and due execution through a secured electronic communication channel, a programme has been developed for sending orders/ judgments and/ or documents related to a case file from Rajasthan High Court to the concerned stakeholders through E-Mailing System. Official email IDs of District Judges and other officers have been mapped with this programme. CIS 3.2 has a feature of the bilingual toggling system by which all the case-related data can be entered in the local language. The user can very well switch over to the

bilingual language without logging out. The technical team of Rajasthan & Pune are working on CIS. They also prepared tutorials to enable the bilingual toggling system. Initially, the CIS bilingual version was applied in the month of September 2022 on a pilot basis in two Districts i.e. Sirohi and Jaipur District. After the successful migration of the CIS bilingual version in Pilot Districts, the same has been implemented in entire Judgeships of Rajasthan in the month of October 2022. Cause list, Case status & Process/summons is made available in the Hindi language so as to make it convenient for advocates and litigants to serve the parties concerned through NSTEP. Simultaneously, it will also be replicated on the eCourts Portal.
