

OFFICE OF THE DISTRICT JUDGE, PRAYAGRAJ.

Admin. Order No. 481

Dated : July 08, 2026

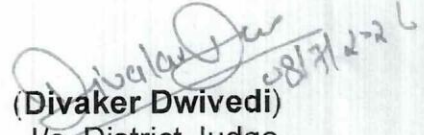

ORDER

In compliance of directions issued by Hon'ble High Court's email dt. 07.07.2026 at 09.40.18 am (copy enclosed along with all enclosures) regarding **urgent review effective utilization of FIR, Chargesheet and NSTEP Services**, following order is being passed with immediate effect :

- (i) The System Officer and the System Assistant are directed to provide a soft/pdf copy of Hon'ble Court's above email along with its enclosures as well as a copy of this order to all the Judicial Officers working under administrative control of undersigned, for information and ensuring compliance in letter and spirit.
- (ii) A hard copy of Hon'ble Court's above email as well as this order be also circulated among all the Judicial Officers working under administrative control of undersigned, for ensuring compliance in letter and spirit.
- (iii) The **ADJ/Special Judge (E. C. Act) Prayagraj** as well as the **Chief Judicial Magistrate Prayagraj** are nominated as **Nodal Officers** for the Sessions Courts and the Magisterial Court of the Judgeship and are directed to ensure that the directions so issued by the Hon'ble Court are being observed in compliance by all and sundry.
- (iv) For continuous monitoring and performance review, the **above mentioned Nodal Officers** are directed to collect **Daily Performance statistics/reports** relating to the consumption and utilization of FIRs, Charge-sheets and NSTEP Services from all the concerned courts of the Judgeship and submit the consolidated report before the Ld. District Judge in every Monthly Meetings of Judicial Officers of the Judgeship, for further action, in the matter.

Inform all concerned.

Dated : July , 2026

(Divaker Dwivedi)
I/c District Judge,
Prayagraj.

Subject: Urgent review and effective Utilization of FIR, Charge Sheet and NSTEP Services – June, 2026

Respected Sir/ Madam,

In reference to ICJS integration, eSummon services and the consumption/verification of FIRs and Charge Sheets received through the ICJS, as reflected in the NCL Ranking Dashboard maintained by the Ministry of Home Affairs, Government of India. As per the State Scorecard reviewed in the meeting dated 29.06.2026 convened by the Addl. Director General, Police Technical Services Headquarters, U.P., the State of Uttar Pradesh presently stands at the **14th position** with an overall score of **78.13/100**. A closer examination of the Operational Efficiency head (45% weightage) reveals that the parameters of 'FIR Consumed in Courts Online' (**1.18 out of 5**), 'Charge Sheet Consumed in Courts Online' (**5.66 out of 10**) and eSummon services utilization (**5.93 out of 10**) continue to be the weakest contributors, well below their allotted weightage.

The District-wise Chargesheet, FIR Count and eSummon Reports for the month of June 2026 have been examined at this end, and the following concerns require the urgent attention of all District Courts:

1. **FIR Consumption**

- A large number of District Courts are either not consuming FIRs at all or consuming only a negligible percentage of the FIRs made available through the system. This adversely affects timely access to investigation records and defeats the purpose of digital integration. Also not utilizing the Consumed FIR in Court proceedings.

2. **Charge Sheet Consumption and Utilization**

- While a few District Courts are consuming Charge Sheets, the majority of consumed Charge Sheets are not being effectively utilized within CIS for judicial proceedings.

- In many districts, Charge Sheets remain unverified/not utilized, despite being available digitally. This significantly impacts the State's performance under the National Criminal Law (NCL) Dashboard and undermines the objective of end-to-end digital processing.

3. NSTEP / Criminal Process Services

- Effective utilization of NSTEP is equally important for ensuring prompt electronic service of summons, warrants and other criminal processes.
- Proper use of NSTEP facilitates real-time tracking, faster execution of criminal processes and improves overall judicial efficiency.

In reference to earlier directions regarding NSTEP Criminal, FIR and Chargesheet utilization, all District Courts are hereby again requested to carefully examine the enclosed **FIR Count Report, Charge Sheet Count Report and Criminal Process Summary for June, 2026**, identify the reasons for low consumption and utilization of FIRs and Charge Sheets, and take immediate appropriate measures. It is necessary that the **ICJS module of CIS** is fully utilized for consumption, verification and effective use of FIRs and Charge Sheets during proceedings. Further, maximum utilization of **NSTEP** shall be also ensured for issuance, service and monitoring of criminal processes. All Presiding Officers and concerned Court Staff be suitably sensitized regarding the mandatory use of these services, and the performance of all Courts under the district shall be continuously monitored so that no digitally available FIR, Charge Sheet or criminal process remains unconsumed or unutilized. Daily performance statistics/reports relating to the consumption and utilization of FIRs, Charge Sheets and NSTEP services shall be shared with the District Courts on a regular basis for continuous monitoring and performance review

With regards.

O/o Jt. Registrar(J)(CPC)

Allahabad High Court
