

OFFICE OF THE DISTRICT JUDGE, PRAYAGRAJ.

Admin. Order No. 646

Dated: October 1, 2026

ORDER

In compliance with the directions issued by the Hon'ble High Court of Judicature at Allahabad, communicated vide Letter No. 3773/CPC/eCourts/Allahabad dated 28.09.2026 regarding the effective utilisation of the "Payment Setu Portal" for traffic challan matters and the mandatory maintenance and generation of the Fine Register through NYAS (Nyayalaya Automated Register System), the following directions are hereby issued for immediate compliance by all concerned in this Judgeship:

Mandatory Adoption of Payment Setu Portal & NYAS with effect from 01.10.2026, the **Payment Setu Portal** shall be the standard, mandatory mode for recording and accepting payments of all fines imposed in traffic challan matters across all criminal/magisterial courts of this Judgeship and every transaction/payment of fine imposed in traffic challan proceedings must be entered in NYAS without exception. While the maintenance of any physical/additional Fine Register may continue wherever considered necessary, the corresponding entry in NYAS is mandatory in every case.

All concerned Courts that disposed of traffic challans during the National Lok Adalat held on 12.09.2026 shall immediately ensure that complete details of all challans where fines were received in cash are entered into NYAS forthwith, ensuring complete reconciliation of accounts and records without delay.

In instances where fine amounts are deposited in cash, the concerned court/office shall ensure that the collected fine amount is deposited into the designated Bank Account strictly in accordance with the applicable Financial Rules. The realization is duly verified against published Bank Account Statements. No court order disposing of the challan or releasing documents/vehicles shall be given effect to, nor shall any receipt be issued, until such verification, reconciliation and entry in NYAS are completed.

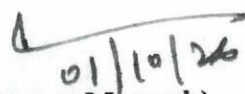

Irrespective of whether payment is received digitally or in cash, the receipt in respect of every traffic challan shall be generated and issued solely through the Payment Setu Portal. **The issuance of manual receipts or receipts through any alternate mode is strictly prohibited.**

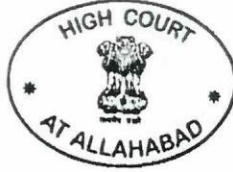

In view of the upcoming Lok Adalat for petty offences and Motor Vehicles Act matters scheduled to be held on 26.10.2026 and 07.11.2026, the System Officer / System Assistants / ICT Technical Staff of this Judgeship are directed to organize a training sessions for all court staff, Readers, Ahlamads, and dealing assistants of Magistrate Courts which comprehensively covers the retrieval of case particulars using CNR numbers, data entry into NYAS, and end-to-end processing and disposal of challans on the Payment Setu Portal.

The Nodal Officer (Computer) is directed to oversee the overall operationalisation of these directions and resolve any administrative bottlenecks.

The System Officer / System Assistant shall maintain continuous monitoring of server uptime, network connectivity, and technical infrastructure to guarantee the uninterrupted functioning of both NYAS and the Payment Setu Portal.

Inform all concerned for strict compliance.

(Kumar Mayank)
I/c District Judge,
Prayagraj.

(Through e-mail)

From,

Manjeet Singh Sheoran, H.J.S.,
Registrar General,
High Court of Judicature at
Allahabad.

To,

All the District Judges,
State of Uttar Pradesh.

Letter No. 3773 /CPC/eCourts/Allahabad

Dated: 28 .09.2026

Subject: Effective use of the "Payment Setu Portal" for traffic challan transactions and mandatory generation of the Fine Register through NYAS in the District Courts of Uttar Pradesh.

Madam/Sir,

Kindly refer to Letter No. 3768/XCI-CPC/eCourts/Allahabad dated 11.09.2026, whereby all the District Judgeships were apprised of the operationalisation of the **"Payment Setu Portal"** and were requested to ensure its utilisation during the National Lok Adalat held on 12.09.2026 for facilitating digital payment of fines in traffic challan matters. The concerned personnel of the District Judgeships had also been imparted necessary training in advance to facilitate effective and seamless use of the Portal.

In this regard, it is pertinent to mention, only 18,661 out of total 1,57,271 Traffic Challans. were settled through the **"Payment Setu Portal"** on 12.09.2026, with the corresponding fine amounts realised through digital payment. Balance Rs.2,93,41,225/- was realised in cash, as before.

Accordingly, I have been directed to communicate that the details of all such challans in respect of which payment was received in cash on 12.09.2026 shall be entered in the Nyayalaya Automated Register System (NYAS), forthwith, to ensure completeness and proper reconciliation of the records relating to the said National Lok Adalat.

Second, in view of the successful implementation of the aforesaid initiative, I have been further directed to communicate that henceforth, the **"Payment Setu Portal"** shall be the standard mode for recording and making payment of all fines imposed in traffic challan matters, in all District Courts of Uttar Pradesh. It has further been decided that, with effect from 01.10.2026, every payment of fine against a traffic challan shall be entered in NYAS. The maintenance of a separate or additional Fine Register, wherever considered necessary, may continue; however, the corresponding entry in NYAS, shall be made in every case, without any exception.

In cases where the fine amount is deposited in cash, the receipt shall be issued only after the corresponding entry has been duly made in NYAS. Such entry shall be made only after the fine amount has been deposited in the designated Bank account as per Rules and the same is verified through published Bank Account Statements, thereby ensuring that the particulars relating to imposition, deposit and realisation of the fine are duly recorded and reconciled before the Court order is given effect to.

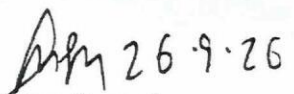

It is further clarified that, irrespective of the mode of payment, the receipt in respect of every traffic challan shall be generated and issued only through the **"Payment Setu Portal"** and no receipt shall be issued manually or through any other mode.

It is also informed that a Lok Adalat for disposal of petty offences, including challans under the Motor Vehicles Act, is proposed to be held on a date/dates falling between 26.10.2026 and 07.11.2026. In view thereof, the concerned System Officer/System Assistant/ICT technical staff of the Judgeship may kindly be directed to provide necessary training and technical assistance to the staff of the concerned Magistrate Courts for retrieval of case particulars through the CNR number, wherever required, and for ensuring entry of all cases in NYAS. The staff dealing with traffic challans may additionally be trained in the use of the **"Payment Setu Portal"** for processing and disposal of such challans.

You are, therefore, requested to kindly ensure strict compliance with the aforesaid procedure and to direct the Nodal Officer (Computer), System Officer/System Assistant and ICT staff of the Judgeship to extend necessary technical assistance to all of the concerned Courts and ensure proper and uninterrupted functioning of the **"Payment Setu Portal"** and NYAS.

With regards,

Yours sincerely,

Registrar General
