Sir,

In reference to the trail mail, please find the attachment enclosed. In this regard, as per the latest chart received from NCRB and the NCL Ranking Portal, the performance of almost all District Courts continues to be unsatisfactory.

In light of the earlier directions, it is requested that the concerned technical staff may kindly be also directed to ensure the consumption of pending FIRs and Charge Sheets at the centralized level also. Simultaneously, the concerned officials at the District level may also be instructed to undertake the consumption process on a **daily basis** so that the backlog is cleared and the Districts' rankings improve at the earliest.

The matter is most urgent and requires immediate attention.

**Subject:** Utilization of ICJS and NSTEP Modules – Daily Consumption and Verification of FIR, Charge Sheet and NSTEP

Respected Sir/Madam,

It has come to notice that the matter concerning consumption and verification of FIR and Chargesheet Numbers on ICJS/CIS, and service compliance of civil/ criminal processes through NSTEP-CCTNS, requires urgent attention in light of the State of Uttar Pradesh's continued unsatisfactory position under the NCL Ranking Dashboard. Several Districts continue to reflect nil or negligible consumption and verification of FIR and Chargesheet Numbers, despite substantial volumes having been consumed on the ICJS/CIS platform, and execution/service compliance of criminal processes on NSTEP-CCTNS also remains significantly deficient across the State. This continued shortfall not only affects the State's ranking under the NCL Ranking but also has a direct bearing on citizen-centric service delivery and the speedy dispensation of justice.

In view of the above, I have been directed to communicate that all the Ld. District Judges of Uttar Pradesh shall ensure that the consumption and verification of FIRs and Charge Sheets through the ICJS module of CIS, together with the utilisation of the ICJS (FIR and Charge Sheet) and NSTEP modules for the service of Civil and Criminal processes, are compulsory for all the concerned Courts and are complied on a daily basis.

Further, Nodal Officer (Computers) of each District Judgeship is directed to monitor this compliance and progress through the NJDG and NSTEP portals, so that any lapse at the Court level is identified and corrected promptly. Alongside this, it is also directed to ensure that, wherever required, the concerned Court staff are suitably sensitized and trained on the use of the ICJS module of CIS and the NSTEP module by the Technical Staff of the respective District Courts. Such sensitization programmes may be conducted periodically so as to facilitate maximum utilization of these platforms and ensure their effective adoption in day-to-day Court functioning.

In this reference, as directed may I request your goodseleves to ensure urgent compliance of the aforesaid directions.

With regards,

*O/o Jt. Registrar(J)(CPC)*  
*Allahabad High Court*
