Y Chandrachud, Judge, Supreme Court of India and the Chairperson e-Committee at the Chief Justice’s Workshop on the topic, “ICT Enablement of Indian Judiciary through e-Courts Project and the way forward” [“https://ecommitteesci.gov.in/video/ict-enablement-of-indian-judiciary-dr-justice-d-y-chandrachud-speech-at-chief-justices-workshop-nja/](https://ecommitteesci.gov.in/video/ict-enablement-of-indian-judiciary-dr-justice-d-y-chandrachud-speech-at-chief-justices-workshop-nja/) “

The second session was on ‘Role and Impact of High Court Complex Computer Committees in e-courts project and e-courts technical infrastructure through NIC’ The Speakers for the second session of the day was Justice Rajiv Shakhder, Judge,

High Court of Delhi spoke on the progress of the e-Courts project and various e-initiatives with particular reference to the High Court of Delhi. Justice Nitin Jamdar Judge, High Court of Bombay, spoke on the various salient features of the Case Information System (CIS) and National Judicial Data Grid (NJDG). Justice A. Muhamed Mustaque, Judge, High Court of Kerala, spoke on the Institutional Structural Reforms – Plans & Objectives and about the Evolution of Digital Space in Judiciary with particular reference to the High Court of Kerala. Ashish J Shirodhonker, Head of Department, e-Courts Project, highlighted the various e-Courts initiatives. The Chairperson, Dr Justice D Y Chandrachud, made the concluding remarks. He also emphasised the need to ensure an inclusive judicial system, increase access to justice through maintaining a hybrid model of court proceedings, and bring about a transformation in the judicial system through technology.

eSewa Kendra Inaugurated at Udaipur, Sonamura Court Complexes of Tripura

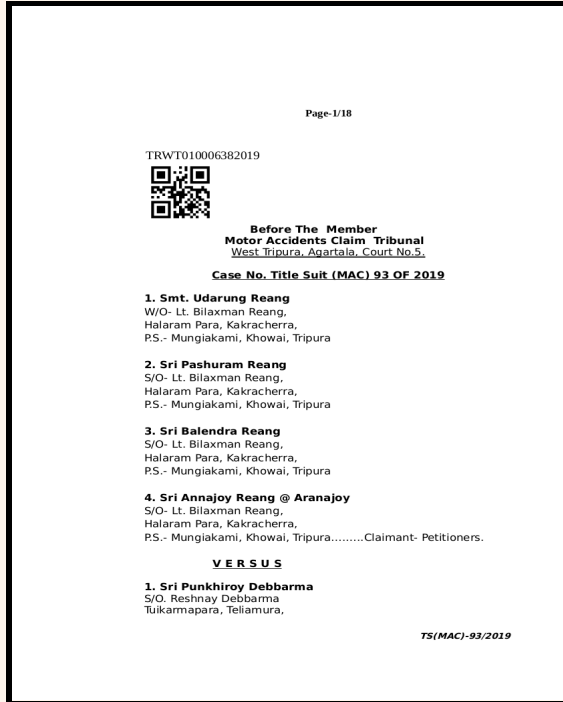

On 1st October 2021, the eSewa Kendras at Udaipur Court Complex, Gomati Judicial District, and Sonamura Court Complex, Sepahijala Judicial District were inaugurated by Mr Justice S. Talapatra, Judge, High Court of Tripura and Chairman, Computer Committee and Mr Justice A. Lodh, Judge, High Court of Tripura. Brief programmes were organised at both the Court Complexes on the event of inauguration of the eSewa Kendra in presence of the Judicial Officers, Bar Members, Court staff,

Officers of local Civil & Police Administration, Media, litigants and members of the public. Mr Justice S. Talapatra, Judge, High Court of Tripura and Chairman, Computer Committee, emphasised the importance of the eSewa Kendra, which are meant to serve the members of the Bar and litigants as a one-stop centre for availing all the citizen-centric services of the eCourts Project. The construction of eSewa Kendra in other Districts is in progress.

QR Code-based Judgments uploaded by Agartala Court Complex at Tripura on a pilot basis.

From 1st October 2021, all the Courts of Agartala Court Complex of West Tripura Judicial District have started uploading QR Code-based Judgments in CIS, which are available in the public domain through the District Court's official website and NJDG.

The QR Code is generated through the District Court CIS NC version 3.2,

and the Courts of Agartala Court Complex have started this on a pilot basis.

The authenticity of such Judgments available in the public domain can be verified by scanning the QR Code given on the first page of the Judgment by using the QR Code Scanner of the eCourts Services Mobile Application. Upon scanning QR Code, the complete history of the concerned case, is instantly displayed in the mobile app.

The District Court Computer Committee of West Tripura has started a crucial citizen-centric service by attaching the QR Code in the Judgments.

This practice will soon be implemented in other District & Taluka Courts of Tripura.

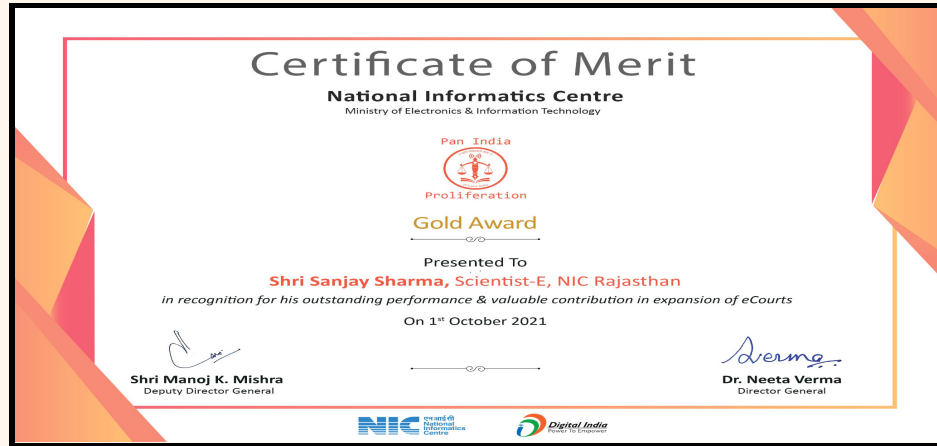

Filling of remand details started in CIS Pre-Trial Module in Kaimur Court at Bhabhua, Bihar.

The filling of the Pre-Trial module has been started in Kaimur Court at Bhabhua. In Criminal cases where charge sheets are not filed, there are a lot of pre-trial stages like remand, bail which arise and are dealt with by the courts. The pretrial module has been enhanced, and when an accused is remanded, it can now be

added in the pretrial module from where the log of the remanded person can be maintained. This option under CIS 3.2 is an excellent feature whereby the vision of ICJS integrating court, police station, prison becomes a reality.

Rajasthan NIC bags “Gold Award” for implementation of E-Courts Project

Rajasthan High Court has been a pioneer in implementing various components of the E-Courts Project. Rajasthan pioneered case type uniformity in all subordinate courts for data cleansing and correct statistical reports. National Service & Tracking of Electronic Processes (NSTEP) and Inter-operable Criminal Justice System (ICJS) have been implemented in all the Courts. E-filing and E-payment facilities were also started in all the trial courts. Despite the crunch of resources, during the

Covid-19 pandemic, VC facilities were provided in all the courts, and the functioning of courts didn't stop even for a single day. Recognising the outstanding performance and valuable contribution in the E-Courts Project implementation, the Director-General of the National Informatics Centre (NIC) has awarded Gold Award to Shri Sanjay Sharma, Scientist-E, NIC Rajasthan and Technical Director NIC Rajasthan High Court.
