I respectfully submit that the Video Conference (VC) facility is available and fully functioning at the Telangana Forensic Science Laboratory (TGFSL), Hyderabad, and at all six Regional Forensic Science Laboratories (RFSLs) functioning under TGFSL.

The said facility is being effectively utilized for judicial purposes, including recording of expert evidence before the Hon'ble Courts through virtual mode. The availability of this infrastructure enables forensic experts to depose without the need for physical travel, thereby reducing delays, ensuring timely compliance with summons, and facilitating expeditious disposal of cases.
