were also launched on 26th November 2022 on the occasion of the Constitution Day. All the 36 District Courts Websites of Rajasthan have been migrated to the new S3WAAS Platform in the month of June 2023 and presently successfully working on the platform.

Successful Completion of One Year of Video Conferencing Facility between Hospital and Court Hospital, Jaipur

The Video-Conferencing Remote Point at SMS Hospital, Jaipur has completed its one-year existence, becoming the first facility in Rajasthan where Medical Experts can depose court evidence and

statements regarding medicolegal cases without being physically present at the court. The facility allows doctors to attend the court virtually through a video conference room located at Bangar block of SMS

Hospital, Jaipur while taking care of patients. Previously, doctors had to travel to Judicial courts out of Jaipur and sometimes out of state for deposing their court evidence. The facility was granted approval by the Hon'ble High Court of Rajasthan on 24.6.2022 and was inaugurated by the Hon'ble Chief Justice of Rajasthan and the steering committee in virtual presence of all District and Session Judges of Rajasthan through an online ceremony. The concept of VC Remote Point was first conceived in 2018 during the MedLEaPR project. As the COVID-19 pandemic made physical presence impossible, the Virtual Execution of Court Proceedings gained momentum. The Honourable High Court of Rajasthan issued guidelines regarding Video Conferencing for deposition of oral evidence and other court proceedings in August 2021, which

paved the path for the development of VC Remote Points in Courts and other allowed centres as per the VC rules across the state. The first VC Remote Point was developed at SMS Hospital, Jaipur under the guidance of Dr. S. Dua (Prof. & Head, Department of Forensic Medicine) and Dr. Deepali Pathak (Professor, Department of Forensic Medicine). The major requirement of a soundproof room was fulfilled by Dr. S.M. Sharma, who volunteered his cabin selflessly for the greater good of the medical fraternity. The facility received approval from the steering committee and was finally inaugurated virtually on 24.06.2022. Dr. Deepali Pathak, Dr. Shashank Sharma, Dr. Vikas Soral, Smt. Lalita AP, IT personnel, and Mr. Anubhav Chaturvedi was appointed as Nodal Officer for the VC Remote Point. All the Compliances have been met, and the institution will soon celebrate the second VC point within a month.

e-Initiatives Taken by High Court of Tripura, Agartala

QR Code Zone in the Lobby of High Court of Tripura, Agartala

A dedicated QR Code Zone has been created and has been made functional in the Lobby of the High Court of Tripura, Agartala. The said QR Code Zone has been designed and developed by the in-house technical team of the High Court of Tripura. All the QR Codes containing links to eFiling portal, ePayment portal, Android App of High Court and official Telegram Channel of High Court are displayed on the

smart screen. It is designed to provide enhanced convenience to all stakeholders, particularly the litigants and lawyers involved in the Justice Administration System for quick access of IT Enabled Services. It helps to ensure that everyone has access to essential information, thus improving the overall experience for litigants, lawyers and other stakeholders.

Juvenile Justice Boards (JJBs) Data Made Available On NJDG by Tripura High Court

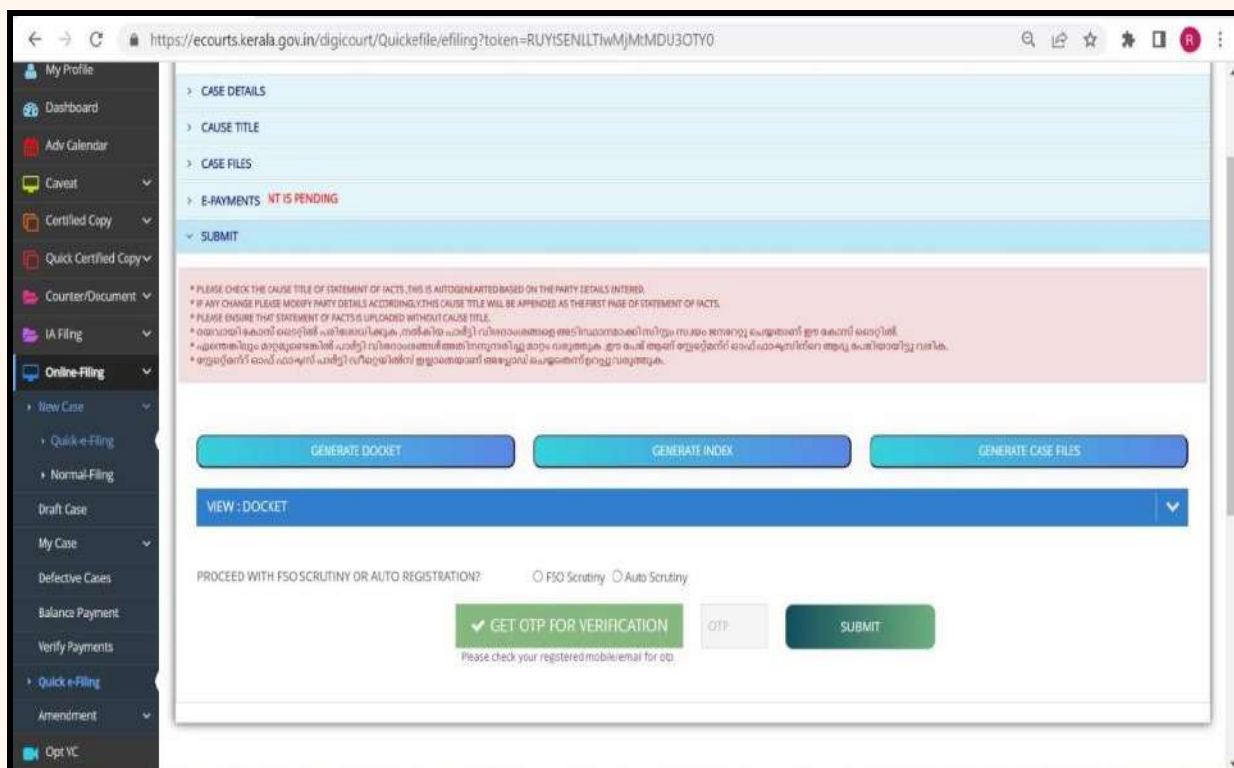

The screenshot shows the NJDG interface for Tripura. The search filters are set to 'West Tripura' and 'District Judge Agartala'. The search results show 6 entries, with the following data:

Establishment	Civil	Criminal	Total
Chief Judicial Magistrate Court Complex, Agartala	0	9	9
Civil Judge Junior Division Court Complex, Agartala	0	0	0
Civil Judge Senior Division Court Complex, Agartala	0	0	0
District and Sessions Judge Court Complex, Agartala	0	0	0
Family Court Establishment Agartala	0	0	0
<u>Juvenile Justice Board Establishment Agartala</u>	0	0	0
Total Undated Cases	0	9	9

The in-house technical team of the High Court of Tripura took effective steps for on-boarding of separate establishments for the Juvenile Justice Board (JJB) in each Judicial District of Tripura. These newly

created establishments were replicated to NJDG (National Judicial Data Grid) so that the permissible case data pertaining to Juvenile Justice Boards (JJBs) is made available to all stakeholders.

High Court of Kerala Implements Machine Scrutiny for Filing

Kerala High Court implements an e-Filing system to streamline and modernise the process of filing and managing court cases. This system allows litigants and advocates to electronically submit and manage their case-related documents. This is mostly to ensure the integrity and efficiency of the e-Filing process. The court has incorporated machine filing scrutiny techniques, which play a

crucial role in verifying and validating the submitted documents. Machine filing scrutiny refers to the use of automated processes and algorithms to examine and analyse the filed documents in the e-Filing system. This advanced technology helps in detecting errors, inconsistencies, thereby promoting transparency and maintaining the accuracy of the court records.

E-Office & NSTEP Training Programme Conducted In Kerala High Court

As part of the implementation of the second phase of the e-Office at the Courts in the Judicial districts, a training session was conducted for all the ministerial staff of the Courts in the Manjeri Judicial district in 4 sessions- with each session

comprising of 65 staff members from 19.06.2023 to 22.06.2023. Additionally, NSTEP training has been conducted for all the staff in the Kozhikode district court on 15.06.2023 and 16.06.2023 through VC.

High Court of Punjab and Haryana Rolls Out Online RTI Portal

RTI Portal

Online RTI portal has been developed to facilitate the general public to file RTI applications online. Any applicant can file an RTI application online and make their payment through this online mode. This will ensure that time and money are saved. Besides this, first appeal can also be filed on the online RTI portal.

Feedback and Grievance Module:

A module has been developed to bifurcate the complaints branch-wise received through the Feedback and Grievances module. Login credentials have been distributed to the concerned branches.
