About e-Filing

e-Filing system is a complete end to end solution developed for online filing of plaints, written statements, replies and various applications related to cases. Both Civil and Criminal cases can be filed before any High Court or District Court of the country. It is designed in Bilingual (English and local language) to reach wider group covering advocates/litigants.

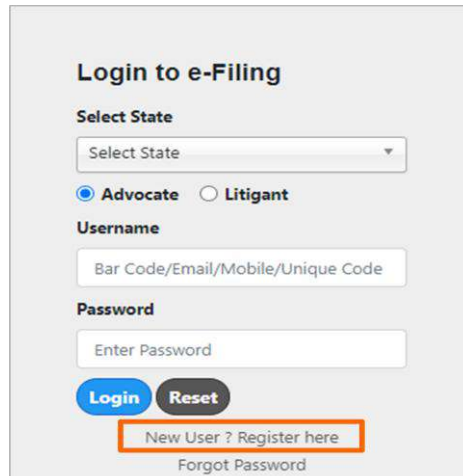

e-Filing system provides several benefits:

- Save time, money, travel of advocates and clients
- Obviate the need to physically visit the court
- Reduce the need of meetings between clients and advocates
- Automatic digitization of case records
- Positive impact on environment by reducing paper footprint

6.2.1.8 Editing the existing e-filed cases

There is a provision to add or modify a case and view PDF of the case filed. These buttons are provided on the upper right corner of the screen, in Case Filing tab. The functionality of each tab is described below.

Note: Only draft cases can be edited. Once case is submitted through eFile tab, it is not available for editing.

Fig: Buttons provided to add or modify a case and view PDF of the case

❖ Add Case Button

- This button is useful when the user has already filed a case, but requires another new case to file.
- On clicking this button, the user is directed towards the screen of new case filling. Refer section 6.2.1 for new case filing details.

❖ Edit Button

This service enables user to modify or delete a case.

- This button allows user to select case from provided list that includes E-Filing Number, Litigant Name, Mobile Number and Action (Edit or Delete).
- The Edit button allows user to edit the details of the selected case. The user is able to edit case from Litigant tab onwards, similar to new case filing.
- The Delete button allows user to delete the selected case.

6.2.2 Manage Favourite Clients

This submenu enables user to manage regular clients for whom cases are filed frequently. Details of these clients are fetched automatically while filing a new case.

- Select Case Filing → Manage Favorite Clients.
- A client information form will be displayed. Enter the required organizational details in the form.
- Please ensure that mobile number and email address are correct as these will be used for authentication.

Note: If the client is added by a **Government Pleader**, the party / litigant will get registered automatically to eFiling system. However, if the client is added by an **Advocate**, the party/ litigant needs to register with e-filing separately.

The screenshot shows the 'Add Client' form in the eFiling system. The form is divided into four sections: Personal Details, Contact Details, State Information, and Other Information. The Personal Details section includes fields for My Client Name, Relation, Date of Birth, Caste, Gender (Male, Female, Other), Name, and Age. The Contact Details section includes Email, Occupation, Address, Mobile No., and Pin Code. The State Information section includes State, Taluka, District, and Village. The Other Information section includes fields for the client's name in Marathi and English, and a field for the address. The form has a 'Save' button and a 'Reset' button at the bottom.

Fig: Add favourite client form

- If details need to be modified, click on the edit (pen) icon at the top right corner. List of all the available favourite clients will be displayed. Click on the **Edit** button corresponding to the required client.

6.2.3 Allocate cases (only for Government Pleader -DGP)

Allocate case to AGP:

- Select Case Filing->Allocate Cases; Search Case option, total allocated/unallocated cases count and list of Additional GPs will be displayed.
- To search the case to be allocated, select existing case/new case option and enter search keyword.
Details of the case will be displayed including case title, case/allocation status (currently allocated to, draft pleadings and applications count) and court name.
- Select the status radio button corresponding to the AGP to whom the case is to be allocated and click Save
- Once the case is allocated, check allocated cases count. Unallocated cases count should decrease and allocated cases count should increase by number of cases allocated.
Check counts for both new case as well as search my cases if allocation is done for both type of cases.

De-allocate a case:

- Deselect the status radio button corresponding to the AGP and click Save. Such cases are automatically transferred to DGP and are available for allocation.
- Once the case is de-allocated, check allocated cases count. Unallocated cases count should increase and allocated cases count should decrease by one.

Transfer case to other AGP:

- Select the status radio button corresponding to the AGP to whom the case is to be transferred and click Save
- Once the transfer is complete, check the name in ‘case allocated to’ field. Name of newly allocated AGP should appear.

Note: After final submission of new cases, they are not available for allocation.

6.4 Pleadings

Pleadings are nothing but legal documents of the case, and this menu makes provision to upload and authenticate such documents. Uploading needs to be done by advocates; litigant can only authenticate the pleadings.

6.4.1 Use Templates

The formats for legal documents such as Affidavit, Complaint, Petition and other similar documents are standardized by the court. Since these documents are regularly required for most of the cases, standard templates are provided for ease of preparing the documents.

- Select **Pleadings**.
- Select **Use Templates**.
- Select search option -**Search my Case** or **New Cases**.
 - For **Search my case**, enter **Search Keyword** and then select a case from the dropdown list.
 - For **New Case**, select **e-Filing Number** from the dropdown list.
- The details of the case are displayed such as Name, My Clients, and Establishment Name.
- Select **Type of Pleading** from drop down list. Only applicable pleadings for the selected case type appear in dropdown list.
- Click on **submit**. Click on **Open** to download the template.
- The downloaded template is in ODT format (Open Document Text), and can be edited; it may then be converted to pdf format for uploading.

The screenshot shows the 'Use Templates' page in the eFiling Services portal. The top navigation bar includes 'eFiling Services' and various service icons. The main content area has a search section with 'Search My Cases' selected and a search keyword 'R.C.A./145/2017 Smt. Pooja Balaji Shinde Vs A...'. Below this, case details are shown in three columns: the case name 'Smt. Pooja Balaji Shinde Vs Anantram Shahajirao Shinde', the client 'Smt. Pooja Balaji Shinde-(Main)', and the court details 'District and Sessions Court, Latur, 8-District Judge-3 Latur, 09-12-2020/Day / Hearing on Exh...Ready'. At the bottom, there is a 'Type of Pleading' dropdown menu set to 'Petition', and two buttons: 'Submit' and 'Open'.

6.4.2.2 Indexing (For Advocates)

Indexing for the document is nothing but preparing index for the contents of the document. This step is not mandatory; however, it is always better to index the documents.

This tab also provides provision to authorize signatories, as to who will be signing the documents. The details of both indexing and signatories are provided below.

❖ Indexing

Indexing allows the user to create index for the selected document. It provides more clear view of the contents of the document. Through indexing, the user can jump to his required content without going through the whole document.

Indexing can be done for individual as well as merged files.

- Select **Pleadings** from the main menu.
- Select **Pleadings** from the submenu.
- Select **Indexing** tab.
- Select radio button for **New case** or **Existing Case**. If 'new cases' is selected, only the e-filed cases are shown; if 'existing case' is selected manually filed and efiled, both types of cases are shown.

A table is shown with details Index Title, From Page Number, To Page Number, and View Document. The title of each document is also displayed, clicking on which will open the document.

- To add index to the selected document

- Click on **Add Index** button.
- Enter the details for **Index Title, From Page No.,** and **To Page No.**
- Click on **Index Document** button.
- The message, “**Document Indexed Successfully**” is displayed.
- When indexing is complete, it is displayed in the table. The indexed parts of the document can be viewed separately by clicking on the **View Document** link in front of the index.
- The index can be deleted by clicking on **Delete** button.

6.4.2.3 Pleading eSign (For Advocate and Litigant)

Pleading eSign tab enables user to assign signatories and e-sign a pleadings (document). Multiple parties can e-sign a single document.

❖ Authorize Signatories

This facility allows user to assign signatories for a document including the advocates or clients. The service also enables to specify the mode of signing- whether it will be e-signed or OTP verified by the signatory. Only the assigned advocates and clients are able to sign the document. When a client is assigned as signatory by the advocate, he will be able to see the document for e-signing under pleadings menu.

- Click on **Authorize Signatories** to authorize who can sign the selected document.
- Check the box for those who the user wishes to authorize. Check box is provided in front of their names.
- Select the method of signing, by selecting the radio button for **eSign** or **OTP**. For OTP, enter the mobile number and the OTP is sent to that number.
- Click on **Submit** button.
- The message, **“Signatory Authorized Successfully”** is displayed. This signatory will now be able to eSign/ OTP verify document through own login.
