Why Such eSewa Kendra is necessary.

Majority of our population are living in village and small cities, and they have no or limited access to IT related (Information and Technology) services. Even they have no smart phone, no desktop or laptop. For this, eSewa Kendra is a bridge between judiciary and those sections having no access to IT.

eSewa Kendra Facilities.

1. Handling inquires about case status, next date of hearing and other details.
2. Online application for certified copy.
3. Scanning hard copy petitions and uploading them into CIS.
4. Generation of filing number.
5. Assist in online purchase of e-Stamp papers and e-Payments.
6. Downloading of Mobile Apps of the eCourts for Android.
7. Booking of e-Mulakat Appointment.
8. Queries about judges of leave.
9. Queries about cause list.
10. Guide people how to avail free Legal Service from DLSA.
11. All other queries of e-Court projects.
12. Arranging video conference Court hearing.
13. Provide soft copy of judgments and orders.
