opportunity to apply for the post and to claim for selection and appointment. In view of the said anomaly in the Notification, the selection process is vitiated. Therefore, it is ordered to cancel the examination and selection that took place and to issue fresh Notification calling for applications permitting even non-local candidates also to apply for the post. The candidates who have already applied for the post as per the previous Notification need not pay any examination fee. The examination fee paid by them previously shall be accepted while considering fresh applications as per the Notification. Only the candidates who apply afresh shall pay the examination fee."
