Rajnandgaon, Surajpur,  
Chhattisgarh.

Subject: Regarding issue a public notice across official websites, eSewa Kendras, and Court Complexes of the State with a direction for the Advocates, Litigants and other stakeholders to essentially take backup of their eCourts Service Mobile Application.

-----XXXX-----

Respected Sir/Madam,

On the subject cited above, Hon'ble Supreme Court of India is upgrading the eCourts Services Mobile App from current version to version 4.0.

As directed by the eCommittee, Supreme Court of India, to safeguard user data, and ensure a seamless migration across all judicial tiers, it is **mandatory to take data backup of the mobile App. Users can use the "Export" feature in their current app to back-up their saved cases.** This is essential to prevent any data loss during the transition to the new React Native storage architecture.

To prevent data loss during the transition to version 4.0, it is requested that a public notice be issued across official websites, eSewa Kendras, and Court Complexes advising stakeholders to back up their saved cases till **May 4, 2026**, before the upgraded version goes live on **May 5, 2026**.

Encl.: Copy of the Notice and User Manual.
