To

All the Chairmen,
District Legal Services Authorities,
In the State of HP.

Subject: Guidelines for preventive and strategic legal aid programme and creation of legal awareness about valuable rights of beneficiaries.

Sir,

'Jai Hind'

The HP State Legal Services Authority is taking earnest efforts to spread legal awareness and endeavoring hard to provide required legal aid to the beneficiaries. Nevertheless, it has been noticed during interaction of the functionaries of legal services institutions with legal aided beneficiaries and also during jail visits with jail inmates that there appears to be a little gap or disconnect in securing legal aid to the beneficiaries after decision of the cases. It is noticed more in cases of appellant jail inmates. At times, legal aid beneficiaries loose contact with legal services institutions to peruse the matter further for filing appeal(s). This results in delay in filling appeal(s).

Experience shows that in most of time barred appeals, especially being filed by under trials/convicts, one of the ground(s) is that funds were not available with the affected party.

In this background, there is a need to build up coherence and continuity in providing legal aid to the beneficiaries at all levels so as to protect the valuable rights of the beneficiaries at appellate stages also, enabling them to obtain certified copies of orders/judgments, documents and help them in preparation of appeal(s), paper book including printing and translation of documents etc.

Thus, in view of the above, as approved by Hon'ble the Patron-in-Chief, Hon'ble the Executive Chairman has been pleased to issue the following guidelines as a matter of preventive and strategic legal aid
