It is hereby informed that a new update of the **eCourts Services Mobile Application for Android and iOS** is scheduled for release on **18.08.2026**. The compatibility issue reported in the existing version has been resolved in the said update.

In view of the above, **all users are hereby directed to mandatorily take a backup of all cases saved under "MyCases"** by utilizing the **"Export"** feature available in the current version of the eCourts Services Mobile Application. The exported data should be saved at **both Google Drive and local storage** for ensuring its safe preservation.

All concerned are directed to complete the backup process **before the release of the new version on 18.08.2026**, so as to avoid any possibility of loss of saved case data during the upgradation process.

The following may also be ensured on priority:

1. Wide dissemination of this advisory through the District Court website.
2. Display of appropriate public notices at **eSewa Kendras and Court Complexes**.
3. Sensitization of **Advocates, Litigants and Court Staff** regarding the mandatory backup of case data.
4. Ensuring that all concerned stakeholders complete the backup process within the stipulated timeline.

It may be noted that **failure to take a backup may result in permanent loss of saved case data**, particularly in the event of any technical issue during the upgradation process.

The matter may, therefore, be treated as **URGENT and TIME-BOUND**.

All concerned are directed to comply with the above instructions accordingly.
