On perusal of record, section has placed that in total 17 applications have been filed by CID for the reliefs to make interim attachment absolute or interim attachment made absolute by this Court. In all the 17 applications different claim petitions have been filed by 3 rd parties in which some cases parties are insisting to take up the applications. This Court is of the view that as there are 17 different applications filed by CID are pending and in the said applications different claim petitions have been instituted, it is appraised to the counsels, to avoid multiplicity or repetition of cases, the applications filed by CID is taken up as a unit in which respective claim petitions filed are/would be taken up together irrespective counsels who are representing in different applications filed by CID. Call on 17.09.2024 . Crl.M.P.No. 72/2022 is pending and posted to 17.09.2024 for hearing.
23.	Crl.M.P.No. 72/2022	Both counsels present. On perusal of record, section has placed that in total 17 applications have been filed by CID for the reliefs to make interim attachment absolute or
