In reference to your report it is to inform that in no specific data is furnished as the number of cases with a delay. However in any matters which are reported as not pressed, the office can invoke the process of Mediation and refer to PLAPUS on the same day so that the terms under which the matter is settled/ or to authentic the record in that matter is settled between the parties with certification by the PLAPUS. Your office has to impress upon learned counsels and parties that while withdrawing or not pressing the cases, there is approved procedure through PLAPUS recording the understanding between the parties which would be part of the Judicial Process. Needless to say any such record of Authenticity would fall on the category of settlement of cases under Mediation though it may not be settled before Lok Adalat by an award; but would be settled under Mediation which gives a unit.

Hence, you are hereby informed to make sincere efforts referring the cases under NI Act, MC or suits on daily basis to the PLAPUS, with a direction to the parties that matter would be taken on the same day. After receiving the information from the PLAPUS. In all cases before lunch the referred matters probably be sent back from the PLAPUS to the concerned Courts.

Hence, you are hereby intimated that in view of the forthcoming National Lok Adalat and heavy pendency of the cases and considering that most number of cases are being withdrawn from your Court, the same may be taken up using the process of Mediation of pre sitting Lok Adalats from the PLAPUS.

Yours sincerely,
