About e-Sewa Kendra

The eSeva Kendra, as the name suggest, are dedicated to and are supposed to serve the common litigant as a one stop center for all his/her Court related needs. In order to make it more visible, it is envisaged that it shall be strategically located right at the public entry gate accessed by litigants and shall provide every possible assistance to a litigant walking in.

The Project of establishment of eSeva Kendras at District Courts and High Courts was conceived and conceptualized by the eCommittee with an objective of leveraging the accessibility of services provided by the eCommittee of Supreme Court under its eCourts related Project and is aimed at strengthening “Access to Justice for all”.
