Subject: **Dissemination of information regarding launch of eCourts Services Mobile Application Version 4.0.**

Sir/Madam,

I am directed to refer to the subject cited above and to inform you that the eCourts Services Mobile Application Version 4.0 was formally launched during the National Conference on Judicial Process Re-engineering and Digital Transformation held on 11th and 12th April 2026 at the Supreme Court of India. The eCourts Services Mobile Application Version 4.0 shall go live on 05.05.2026. The User Manual is enclosed herewith, and the Training Video is available on the eCourts Release Server under the "New Initiative" tab at http://10.192.102.219/index.php.

In this regard, it is further informed that the O/o e-Committee, Supreme Court of India, has directed that a public notice be issued across official websites, eSewa Kendras, and Court Complexes, advising all stakeholders to take data backup of their saved cases prior to the rollout of the upgraded version. In order to prevent any data loss during transition to the new storage architecture, users may be advised to utilize the 'Export' feature available in the existing eCourts Services Mobile Application for backing up their saved cases.

You are, therefore, requested to ensure wide dissemination of information regarding the new features introduced in Version 4.0 through official websites, Court Complexes, eSewa Kendras and Bar Associations within your jurisdiction. You are further requested to advise all advocates, litigants and other stakeholders to take necessary backup of their saved cases using the 'Export' feature of the existing application prior to the rollout of Version 4.0 on 05.05.2026.

For any query, you may contact, Sh. Mandeep Kumar, System Officer, Punjab and Haryana High Court at Ph. 9815099166.

Yours faithfully,
