

HIGH COURT OF UTTARAKHAND, NAINITAL

OFFICE MEMORANDUM

No. 48 /UHC/NJDG-CIS/2025,

Date: 26.05.2025

While uploading Orders and Judgments in the CIS, it has been observed that blank page (s) appended to the Order/Judgment is also being uploaded by concerned staff. This will result into consumption of unnecessary electronic storage as it requires same amount of digital space irrespective of the fact that something written/print or not therein.

The matter has been considered by Hon'ble the e-Courts and Digitization Committee and it is resolved that digital weeding of record is indispensable to preserve server capacity, speed up archival and retrieval of data, reduce backup costs, and ensure sustainable digital infrastructure.

All stakeholders in the District Courts, including Hon'ble Court, are therefore, requested to optimize use of digital storage while uploading orders, judgments in the CIS.
