

# Bar Association

The bar Association in its 200 (about) years of existence has acquired admirable glory and growth and holds position as standard bearer, because it maintain value and continue the high ethical values and great traditions set and followed by the earlier generations of lawyers and our aspirations are to endeavour and perspire to maintain the high profile we have inherited. The bar association of Palakkad district is established in the year of 1875. Presently there are 700 lawyers under Palakkad district bar association out which 80 are ladies.
