IT DEPARTMENT, DISTRICT COURT, JHARSUGUDA

The Technical Team is deployed by Hon'ble High Court of Orissa under e- Courts Project. The Technical Team at District Court, Jharsuguda drives digital transformation by implementing e-Courts infrastructure and maintaining seamless e-Governance operations in the judicial framework. The IT Division serves as the core pillar supporting technology-enabled court services like case tracking, virtual hearings, digital filings, Troubleshooting of IT related issues, Tech Support and Trainings for ICT enablement & Workflow automation of the Judiciary system.

OFFICERS AND STAFF STRUCTURE

The IT Division is led by a **System Assistant**, supported by two **Technical Assistants**, one **VWDC System Assistant**, and one **Hardware Engineer**. They manage all technical aspects of court IT infrastructure and services.
Additionally, the division includes **E-Sewa Kendra Assistants,** who contribute to e-Filing, video conferencing support and virtual court operations.
Together, they ensure seamless IT services within the judiciary of District Court, Jharsuguda

CORE ROLES AND RESPONSIBILITIES:

- **E-Courts Rollout**: Deploys ICT tools to digitize case filing and judicial workflows.
- **Infrastructure Upkeep**: Maintains servers, networks, and hardware in courts.
- **System Monitoring**: Oversees web/database servers, LAN, MPLS, and FTTH links.
- **Staff Training**: Conducts sessions for Judges, Staffs, and Lawyers on e-Courts tools.
- **Website Updates**: Keeps **jharsuguda.dcourts.gov.in** current for public access.
- **Issue Fixes**: Resolves daily hardware/software problems in courtrooms.
- **Digital Support**: Aids CIS, e-Filing, e-Pay, VC/VWDC, NSTEP, biometrics, and paperless courts.
