

**Notice regarding the advocate registration in e filing ver 3.0 Portal,
having other state registration number**

The advocates registered with other state's bar council and transferred to Kerala Bar Council can register to Kerala e filing ver3.0 portal by removing the hyphen('-') from the Kerala bar registration number allotted (eg. The Bar registration number K/123-A/1999 can be registered using K/123A/1999)

The advocates registered with other state's bar council and have not yet registered with Kerala Bar Council can approach the concerned court/district court and obtain a temporary number . The temporary number will be derived in such a way that there will not be any duplication with original kerala bar registration numbers and there will be unique identification for the district/court. For example an advocate with bar registration number from Delhi D/123/2020 will be allocated the temporary number K/123DT12/2020, where 12 is the district code of the district where he/she received the temporary bar registration number and D is the code of the state.
