Subject: Regarding eCourts Services mobile application for Android and iOS.

Sir,

“Jai Hind”

I am to refer to email communication dated the 14th day of August, 2026 received from the Central Project Coordinator, Hon'ble High Court of Himachal Pradesh regarding eCourts Services mobile application for Android and iOS.

In this regard, you are requested to direct the concerned officials to issue necessary instructions to all users to mandatory take a backup of the cases saved in MyCases by utilizing the “Export” feature available in the current version of the eCourts Services mobile application and saving the exported data to Google Drive as well as local storage. The new update of the eCourts Services mobile application for Android and iOS is ready for release on the Google Play Store and App Store, and the reported compatibility issue has been resolved in the said update. The new update is scheduled for release on **18.08.2026**.

Further, all users may kindly be instructed to complete the backup of their saved case data within the stipulated timeline, before the release of the new version, to avoid any possibility of loss of data during the upgradation process.

It is further requested that the following may kindly be ensured on priority:

1. Display of appropriate public notices at eSewa Kendras and Court Complexes.
2. Sensitization of advocates, litigants and court staff regarding the mandatory backup of case data.
3. Ensuring that all stakeholders complete the backup process within the stipulated timeline.

It may be noted that failure to take a backup may result in permanent loss of saved case data, particularly in the event of any technical issues during the upgradation process.
