Realising the need to ponder over the reforms required in the Legal Aid Movement of India a new model of Legal Services Delivery, the '**Legal Aid Defense Counsel System**' (LADCS), in line with public defender system, is introduced by NALSA. As envisaged, LADCS involve full time engagement of lawyers with support system, dealing exclusively with legal aid work in criminal matters at every stage starting from the pre-arrest, arrest & remand stage to the conclusion of trials and appeals etc. It will enhance the availability and accessibility of Legal Aid in a timely manner and help in creating a mechanism to provide qualitative and competent legal services in a professional manner to underprivileged and disadvantaged section of the society.
