No. 2323 Spl/Comp/CB-10, Dated: 02.12.25

From The Registrar General,
Punjab and Haryana High Court,
Chandigarh.

To All the District and Session Judges,
In the States of Punjab, Haryana and U.T. Chandigarh.

Subject: Deployment of Script for Enabling Access to Files in Protected Matters through Online Mode (OTP) in District Courts.

Sir/Madam,

I am directed to refer you on the subject cited above and to inform you that NIC Pune has provided a script for enabling access to files in protected matters through online mode (OTP) via the e-Filing 3.0 portal. The said script enables one-to-one data replication on local CIS servers and supersedes the earlier version of the migration script implemented in the State of Punjab.

The script has been successfully tested at the District Courts of Moga, Sirsa, and U.T. Chandigarh, and the reports received from these pilot locations indicate that the functionality is working satisfactorily and that orders in protected matters are being accessed successfully through OTP-based authentication on the e-Filing portal.

You are, therefore, requested to deploy and implement the updated script on the CIS server of your Sessions Division at the earliest, ensure that the functionality is made operational without delay, and submit a report at the earliest.

The script may be downloaded from the following link:

Subject: **Sensitization of Advocates, Litigants and Bar Associations regarding availability of orders in protected matters through the e-Filing 3.0 Portal.**

Reference: **This Court's letter no. 2323 dated 02.12.2025.**

Sir/Madam,

I am directed to refer you to the subject cited above and to inform you that the functionality enabling Advocates and litigants to view orders in protected/hidden matters through the e-Filing 3.0 Portal has now been deployed and made operational across all Sessions Divisions in the States of Punjab, Haryana and U.T. Chandigarh.

As per the mechanism provided, litigants/advocates can view and download orders in protected matters after logging into the e-Filing 3.0 Portal, subject to OTP-based validation of the registered mobile number with the CIS record of the concerned case.

You are, therefore, requested to bring the above to the notice of all Advocates, litigants, Bar Associations and Judicial Officers in your Sessions Division, and to sensitize them that protected/hidden orders pertaining to their cases can now be accessed directly through the e-Filing 3.0 Portal using their credentials. Adequate publicity may be given to ensure that all stakeholders are aware of the facility.
