***DISASTER MANAGEMENT
PLAN - 2021***

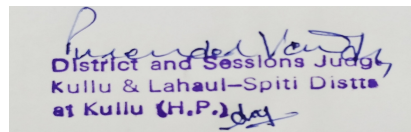

Message

I am pleased to present the Disaster Management Plan in respect of the (1) District Courts Complex, Dhalpur, Kullu, H.P. (2) Sub Divisional Court Complex, Manali, District Kullu, H.P. (3) Sub Divisional Court Complex, Banjar, District Kullu (4) Circuit Court Complex (in Mini-Secretariat), Keylong, District Lahaul-Spiti [tribal area] (5) Sessions House, Shastri Nagar (near Puri Bros. Petrol Pump) and (6) Sessions House, Keylong, District Lahaul-Spiti, H.P., falling under the jurisdiction of Civil and Sessions Division, Kullu and Lahaul-Spiti Districts at Kullu, H.P. - 175 101. This is a comprehensive document and will serve as a dossier in preparation for quick response of the stake holders in the situation of disasters. Disaster Management is not only the responsibility of the

Institution/ Government only; all the stakeholders i.e. Judicial Officers, esteemed lawyers, court staff and litigant public will have to bear the responsibility and work in tandem to minimize the loss to life and property in the event of disaster hazard. Looking forward to favorable response from all quarters.

09.07.2021

1. Introduction

It is well known to all of us that consequent upon the enactment of the ***Disaster Management Act, 2005***, the Government as well as the Hon'ble High Court of Himachal Pradesh, Shimla has decided to initiate effective and serious efforts to mitigate and manage the disasters.

The Act *ibid* describes disaster as “a *catastrophe, mishap, calamity or grave occurrence in any area, arising from natural or manmade causes, or by accident or negligence which results in substantial loss of life of human, suffering or damage to, and destruction of, property or damage to, or degradation of, environment, and is of such a nature or magnitude as to be beyond the coping capacity of the community of the affected area*”. These situations are sudden and with severe consequences. Thus entails the need for a proper distaste

management plan and its effective and timely execution in such events.

The Disaster Management Act, 2005 mandates every Government Department to prepare, review and update Disaster Management Plan. Courts, like other institutions are vulnerable to disasters as well. The disruption caused by disasters in working of Courts will severally affect the justice delivery system apart from the loss of life and property.

1.1 Aim and objectives of the Disaster Management Plan

Our main aim is to reduce vulnerability and also to mitigate and minimize the destruction caused by all of these types of disaster, be it natural or manmade. This document describes the various processes and measures that form the comprehensive disaster management plan with regard to the following Court Complexes and other buildings belonging to this department, falling under the

jurisdiction of Civil and Sessions Division, Kullu and Lahaul-Spiti Districts at Kullu:-

- 1. District Courts Complex, Dhalpur, Kullu**
- 2. Sub Divisional Court Complex, Manali**
- 3. Sub Divisional Court Complex, Banjar**
- 4. Circuit Court Complex, Keylong (L&S)**
- 5. Sessions House, Shastri Nagar, Kullu**
- 6. Sessions House, Keylong (L&S)**

The **basis objectives** of the Disaster Management Plan are as under:-

- Institutionalization of disaster management
- Encouraging a culture of disaster preparedness amongst the stake holders
- Vulnerability reduction and disaster mitigation through better planning process
- Creation of the best mechanism to handle any precedented events
- Instant response and effective decision making in the eventuality of any sort of disaster

- Better coordination of relief and rehabilitation aftermath of a disaster
- Better coordination of all line departments in disaster management

1.2 Profile of District Courts, Kullu (Organization Structure)

District Courts Complex, Dhalpur, Kullu, H.P. presently houses five courts, namely the Courts of (1) the District and Sessions Judge, Kullu and Lahaul-Spiti Districts at Kullu, (2) the Additional District and Sessions Judge, Kullu, (3) the Senior Civil Judge-cum-CJM, Kullu (4) the Senior Civil Judge-cum-CJM, Lahaul-Spiti at Kullu and (5) the Civil Judge-cum-JMIC, Kullu. The District and Sessions Judge, Kullu, is the Controlling Officer in respect of the Judicial Officers of Subordinate Judiciary and employees working in this Civil and Sessions Division.

1.3 Infrastructure

a) District Courts Complex, Dhalpur, Kullu

The Judicial Courts Complex, Dhalpur, Kullu, H.P. is a three storied building which houses all the aforesaid five courts and their respective offices as well as the Bar Room. The Courts of the District and Sessions Judge, Kullu and the Additional District and Sessions Judge, Kullu, Conference Hall, Video Conferencing Hall and Server

Room/ Judicial Service Centre (JSC), are situated on the top/second floor of the building. The Court of the Senior Civil Judge-cum-CJM, Kullu, Central Library, Record Room of the District Judge and Bar Room are situated on the first floor of the building. The Courts of the Senior Civil Judge-cum-CJM, Lahaul-Spiti at Kullu and the Civil Judge-cum-JMIC, Kullu as well as Front Office of the District Legal Services Authority, Kullu, and the Sub Divisional Record Rooms, Kullu/ Lahaul-Spiti at Kullu (*under the control of the Senior Civil Judges-cum-CJMs, Kullu/ Lahaul-Spiti at Kullu, respectively*), are situated on the ground floor of the building. Every floor has well spacious separate general toilets for ladies and gents. There is also a two storeyed litigants hall(s) within the court compound.

The building has ample passages, gallery and stairs for easy approach to its different parts. There are two separate entrance gates i.e. one for the Judicial Officers and another for the lawyers, staff and litigants

public. The complex has also the parking for the vehicles of the Judicial Officers in front of the Judges Entrance gate. However, the parking for the vehicles of the lawyers, staff and the litigants public is in front of the Main Entrance Gate of the complex.

**b) Sub Divisional Court Complex, Manali,
District Kullu, H.P.**

The Sub Divisional Court Complex, Manali, District, Kullu, H.P. is a three storied building which houses the Court of the Civil Judge-cum-Judicial Magistrate Ist Class, Manali, Bar Room and Canteen in the ground floor. The residence of the Presiding Officer, office rooms, Record Room and Video Conferencing Room, Server Room-cum-Judicial Service Centre (JSC) are situated on the first floor of the building. The High Court Guest House, Manali is situated on the third/top floor of the building. Above the

third floor and beneath the tin roof of the building, there is also a small wooden room being used as dormitory of the Guest House.

The building has ample passages, gallery and stairs for easy approach to its different parts. There are two separate entrance gates i.e. one for the Judicial Officer/ occupants of the High Court Guest House and another for the lawyers, staff and litigants public. The complex has also the common parking for vehicles on two separate earmarked spaces, one for the Judicial Officer/ occupants of the High Court Guest House and another for the lawyers, staff and litigants.

c) Sub Divisional Court Complex, Banjar, District Kullu, H.P.

The court of the Civil Judge-cum-Judicial Magistrate 1st Class, Banjar, District Kullu, is being run, for the time being, in the two stories old office building of the Sub Divisional Magistrate, Banjar, District Kullu, H.P. as provided by the local administration. The court of the Civil Judge-cum-Judicial Magistrate 1st Class, Banjar, District Kullu and Superintendent/ Steno rooms are situated in the first/top floor and staff rooms, Record Room, Front Office for free legal services, Bar Room and

Prosecution Department's office is situated in the ground floor.

**d) Circuit Court Complex, Keylong,
District Lahaul-Spiti, H.P.**

The Circuit Court of the Senior Civil Judge-cum-Chief Judicial Magistrate, Lahaul-Spiti at Kullu, H.P. is held in the accommodation provided in the Mini-Secretariat, Keylong by the District Administration.

e) Sessions House, Kullu

The Sessions House, Kullu, is situated at Shastri Nagar, Kullu (opposite Puri Bors. Petrol Pump). It comprises of two separate buildings in proximity namely **Sessions House**, which is a single storey building, consisting of three suites, drawing room, kitchen and store, and another building is the **Annexe of Sessions House**, which is two storeyed building comprising of four rooms with attached lobbies. However, with the passage of time, the Annexe of Sessions House has become obsolete and has been declared by the Competent Committee as unsafe for dwelling of human beings and storage of articles and as such, a multi storied building is proposed to be constructed after its demolition, for which the process is underway. Both the aforesaid buildings have ample passages. There is suffice space for parking of vehicles, besides one lawn, flower beds and open space.

f) Sessions House, Keylong

The Sessions House, Keylong, District Lahaul-Spiti, H.P. is situated at Lower Keylong. It is two storeyed building, consisting of a court room with attached chamber (both unfurnished) and toilet as well as room of Chowkidar in the ground floor. There are four suites, drawing room, dinning room and kitchen in the first/ top floor of the building.

The building has only one common passage. There is also no space for parking of vehicles. However, there is small open space/ courtyard in front of the building.

1.4 Prime Minister's Ten-Point Agenda for Disaster Risk Reduction

The Prime Minister, Shri Narendra Modi, enunciated a Ten -Point Agenda in his inaugural speech at the Asian Ministerial Conference on Disaster Risk Reduction on 2016, held in New Delhi during November 2016 (AMCDRR), which has also been incorporated in the NDMP. The ten key elements consist of the following:-

1. All development sectors must imbibe the principles of disaster risk management .
2. Risk coverage must include all, starting from poor households to SMEs to multinational corporations to nation states.
3. Women's leadership and greater involvement should be central to disaster risk management.

4. Invest in risk mapping globally to improve global understanding of Nature and disaster risks.
5. Leverage technology to enhance the efficiency of disaster risk management efforts.
6. Develop a network of universities to work on disaster-related issues.
7. Utilize the opportunities provided by social media and mobile technologies for disaster risk reduction.
8. Build on local capacity and initiative to enhance disaster risk reduction.
9. Make use of every opportunity to learn from disasters and, to achieve that, there must be studies on the lessons after every disaster.
10. Bring about greater cohesion in international response to disasters.

2 Hazard, Vulnerability, Capacity and Risk Profile

2.1 Major Hazards in Kullu

Type	Level of Vulnerability
Earthquakes	High
Floods & Cloud Bursts	High
Landslides	High
Forest Fires	Medium
Domestic Fires	Medium
Industry Fires	Low
Const. Type & Density	Medium
Overall Vulnerability	Medium

2.2 Risk Analysis/ Vulnerability for District Courts Kullu

Apart from natural calamities and hazards as mentioned above, many manmade disasters can have devastating effect on human life and property. Courts being the backbone of the Justice Delivery System, effects of such disaster will be multifold.

The Judicial Court Complexes are the hub of activities with esteemed lawyers, litigants and other stakeholders alongwith the employees and officers. Such

a public office is prone to various catastrophes, such follows:-

- **Stampede:-** Normal working hours in Courts faces a huge rush and crowd. Such a situation is an easy recipe for stampede.
- **Fire:-** Fire whether accidental or man made may have severe impact, reckoning the huge quantity of records and files apart from human life and public property.
- **Security:-** Courts also deal with under trial prisoners regularly, some of them are hard core criminals, thus, possibility of security hazard can not be ruled out.

The aforesaid Sessions Houses/ Guest Houses remain fully occupied by various categories of dignitaries/ VVIPs during peak tourist seasons. They are also

accompanied by their family members and attended upon by PSOs/ security personnel, Drivers and other personal staff. In addition to above, there is a permanent staff of this department deployed in these Guest Houses. Therefore, natural calamities and hazards as referred to above, may also have devastating effect on human life and public property in respect of these Sessions/ Guest Houses. As such, for the reasons stated above, aforementioned Guest Houses also entail necessity of disaster management and planning.

2.3 Capacity of the Department to deal with disasters

District Courts complex, Kullu, Taluka Court Complex, Manali, Circuit Court Complex, Keylong and Sessions House, Kullu, are structurally well built with ample open spaces. There are multiple exit routes which are crucial in hazardous situations. Open passageways and shafts in the complexes/ buildings aid to sufficient lighting

and ventilation which is helpful at times of fires. However, the Taluka Court Complex, Banjar and Sessions House, Keylong, lacks adequate open space.

Close proximity of the Court Complexes at Kullu, Manali, Banjar and Keylong to the major Government departments and hospital is an added asset. The Court Complexes are easily approachable for relief vehicles such as firefighting vans and ambulances etc. for quick response, in the event of disaster, there are four vehicles of the Judicial Officers at Kullu.

2.4 Gaps in existing capacity

Self assessment of capacity is essential to deal with disasters effectively and that too, in continuum. The disaster management plan must focus on lacunae and shortcomings so that they can be corrected well before some untoward event happens.

The aforesaid buildings belonging to the Judiciary, have certain gaps in capacity necessary to deal with disaster effectively, such as:-

- **Lack of firefighting tools:-** There are no firefighting tools installed in the complexes/ buildings. No provisions for setting up of fire hydrants and fire alarms have been made there.
- **Signboards:-** No signboards to help people navigate viz. exit signboards etc. guiding people to navigate inside the buildings are available.
- **Mock Drill:-** No mock drills have so far been conducted to ascertain the preparedness for dealing with such disasters.
- **Lack of awareness:-** No sufficient trainings have so far been imparted

as well as no awareness material is available for Judicial Officers, court staff and esteemed lawyers.

- **Parking:-** Parking of vehicles in orderly manner in the premises is not followed strictly every time particularly by the litigants/ general public, which may hamper easy approach in critical times.

However, earnest steps are being taken to minimize the above gaps to such extent as feasible.

3. Prevention, Mitigation and Preparedness Plan (Institutional)

3.1 Plan for necessary measures

There exists the District Disaster Management Committees for Kullu and Lahaul-Spiti Districts and also the Sub Divisional Disaster Management Committee at Manali and Banjar, which can be contacted for assistance, co-ordination and planning, whenever necessitated.

The District Disaster Management Committee of this department consisting of the following office bearers, shall monitor the implementation of the Disaster Management Plan, to supervise all the quick response teams and to take all required measures and incidental steps.

The District Disaster Management Committee, which is mainly constituted for the District Courts Complex, Kullu, also exercise its role and responsibilities, with regard to disaster management, over the Sessions Houses situated at Kullu and Keylong.

It would be needless to mention here that the Sub Divisional Disaster Management Committees, Manali and Banjar, will also take necessary steps with regard to disaster management measures pertaining to the Judicial Court Complex/High Court Guest House, Manali (which is situated within the Court Complex, Manali) and the Judicial Court Complex, Banjar, respectively.

Below is the structure and role of the aforesaid
Disaster Management Committees at institutional level:-

Chairman

**Members
and
Member Secretary**

- Operation
- Planning
- Information and Media
- Liaison with other Govt.
- Agencies & DDMA

3.2 Capacity Building

To handle any disaster effectively, it is necessary to have proper capacity. The aforementioned Disaster Management Committees plan to have regular capacity building exercise in collaboration with other Government Agencies and District Disaster Management Authority/ Local Disaster Management Committee(s). Mock drills may be planned to be organized for Judicial Officers, staff, bar members and other stakeholders.

4. Response Plan

4.1 Installation of evacuation routes & maps and fire extinguishers

District Court, Kullu, with due assessment and assistance of the aforesaid Disaster Management Committees, plans to install signboards depicting exit routes in various appropriate parts of the Court Complexes/ Guest Houses to help the people navigate easily in exigencies. Such signboards are to be installed

in corridors and pathways. Fire extinguishers are also to be installed in different points of the Judicial Courts Complex, Kullu/ Manali/ Banjar as well as in the Sessions/ Guest Houses, as per requirement. Apart from above, sufficient ladders, ropes and first aid boxes are to be arranged.

4.2 Constitution of the Incident Response Teams

Quick response teams that comprise court officials of the respective Court Complexes/ Guest Houses are constituted with specific tasks assigned to them and these teams are supervised/ directed by the concerned Disaster Management Committees. These teams will act in coordination at times of any hazard whether natural such as earthquake or manmade. Any changes in teams will be updated in subsequent Disaster Management Plans or reconstitution of such teams from time to time.

4.3 Roles and responsibilities and coordination mechanism for the department.

Every official in the response teams has clear roles and responsibilities. Disaster specific teams have the responsibility to act quickly and coordinate with the concerned agencies in such situations. Each team has one senior official who has to supervise the efforts of the team members. Following are the quick response teams, as constituted by this office:-

(A) Quick Response Teams pertaining to Courts Complex, Kullu

Team for Firefighting

Sr. No	Officer/ Official	Office where posted	Roles &responsibilities
1.	Chief Administrator Officer	D&SJ, Kullu	Coordination among team members
2.	Court Manager	-do-	Mobilize local efforts in firefighting

1.	Chowkidar	Sessions House, Kullu/ Keylong	To perform all incidental and necessary tasks required to tackle and handle the situation in an effective and time bound manner
2.	Mali	Sessions House, Kullu	-do-
3.	Safai Karamchari	Sessions House, Kullu/ Keylong	-do-

5. Knowledge Management, Review and Updating, & Dissemination of Plan

5.1 System of updating DMP

Disaster Management Planning is a continuous activity and thus it requires regular updating. The document of Disaster Management Plan of District Courts, Kullu and Sub Divisional Court, Manali/ Banjar, is to be updated as and when there are major changes in any aspect of it. The Chief Administrative Officer, of this office, is entrusted with this responsibility by the aforementioned Disaster Management Committees. Review of the plan will be done by the committees on yearly basis. The updating and review will also serve as a ready reference for self assessment for preparedness.

All the aforementioned Disaster Management Committees, with prior intimation to the District and Sessions Judge, Kullu, are required to hold meetings/ seminars with all the stakeholders, regularly on quarterly basis or special meetings/ seminars if required under any

circumstances, to take any incidental action, to chalk out necessary planning as well as inculcate necessary awareness and preparedness amongst the stakeholders to mitigate the hazards, vulnerability and dire consequences of different types of disasters, whether natural or manmade and shall also furnish a detailed report to this office within seven days from the date of holding of such meeting/ seminar, for taking further necessary action in the matter.

5.2 Dissemination of Plan to stakeholders

The plan is to be disseminated to the stakeholders namely the court staff, advocates, litigants and general public by uploading the DMP on the official website of the District Courts, Kullu and by displaying the same on the notice boards of the court complexes as well as of the local bar and also placing one copy of the same on some conspicuous place of each Sessions House/ Guest House of this Division.
