FRONT ELEVATION

Architectural drawing of the front elevation of a building. The drawing shows a central entrance with a pediment supported by columns. Above the entrance is a large window with a decorative surround. To the right of the entrance is a smaller window. The building has a gabled roof and a chimney on the right side.

Architectural drawing of the front elevation of a building. The central feature is a large, multi-paned window with a decorative pediment above it. To the right of this window is a smaller, single-paned window. The building has a simple, rectangular structure with a flat roof. The drawing is oriented vertically on the page.

REGISTRAR,
MISSA HIGH COURT
CUTTACK.

LEFT SIDE ELEVATION
